The screenshot shows the TripAdvisor TripWow! interface. At the top, there's a green navigation bar with the TripWow! logo and links for "My Slideshows", "Create a Slideshow", and "Logout". Below this, the interface is split into two main sections: "Add pictures..." on the left and "Customize..." on the right.

In the "Add pictures..." section, there are four buttons for social media integration: Facebook, Upload, Picasa, and Flickr. A large green "Click to upload" button is prominent. Below it, text reads: "You can add more pictures at any time. Add less than 150 pictures total for best results." A red arrow points from this text area down to a green "Done!" button.

In the "Customize..." section, there are four categories: "About You", "Co-Stars", "Music", and "Themes". Under "About You", there are input fields for "Your Name" (containing "Olga Salamaha") and "My Slideshow" (containing "Your slideshow title"). Below these is a "Change picture" button and a small profile picture of a woman.

At the bottom of the interface, there are several buttons: "Optional Add captions, change cities & re-order", "Done!", "or Start over", and "Preview". A yellow bar at the very bottom indicates "2 selected" and includes buttons for "Set City", "Remove", and "Clear selection".
