The screenshot shows the TripAdvisor TripWow! interface. At the top, there's a green navigation bar with the TripWow! logo and links for "My Slideshows", "Create a Slideshow", and "Logout". Below this, the main area is divided into two sections: "Add pictures..." and "Customize...".

In the "Add pictures..." section, there are four options for adding pictures: Facebook, Upload, Picasa, and Flickr. A large green button labeled "Click to upload" is prominent. Below it, text says "You can add more pictures at any time. Add less than 150 pictures total for best results." A red arrow points from this section down to a green "Done!" button.

In the "Customize..." section, there are several options: "About You" (with a field for "Your Name" containing "Olga Salamaha"), "Co-Stars" (with a field for "My Slideshow" containing "Your slideshow title"), "Music", and "Themes". There is also a "Change picture" option with a small image of a woman.

At the bottom of the "Add pictures..." section, there are optional actions: "Add captions, change cities & re-order". Below this, a yellow bar indicates "2 selected" and includes buttons for "Set City", "Remove", and "Clear selection".

At the bottom right, there is a "Preview" button and a "Done!" button. The "Done!" button is highlighted with a red arrow.
