- Top Section:** A tracing exercise featuring a series of connected zigzag lines. The first line is solid, and the second is dashed.
- Middle Section:** A large grid for dot-marker and dot-marker activities. The top-left corner contains a 4x4 grid of squares, each with a dot in the center. Below this is a larger grid with a dashed hexagon and a dotted path leading to it. To the right of the grid is a cartoon hedgehog with a mushroom on its back. A pencil icon is placed near the hedgehog's head.
