*I'd like to tell you about a
city...*

...once I've been to...

LONDON

the city from my dreams...

Big Ben

Houses of Parliament

Westminster Abbey

Tower of London

Tower Bridge

A panoramic view of London featuring the Tower of London and the Tower Bridge under a dramatic, cloudy sky. The Tower of London is visible on the right, and the Tower Bridge is on the left. The sky is filled with dark, heavy clouds, with some light breaking through near the horizon. The foreground shows the rooftops and trees of the surrounding city.

Nelson's Column

Piccadilly

You still don't believe we've been there?

We've...

We've seen...

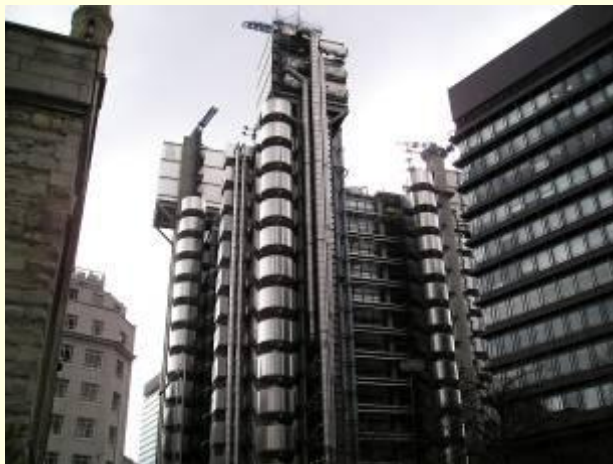

We've seen the old...

We've seen the old London...

We've seen the modern London...

We've been to the country...

And even to the ocean...

We liked being there...

...and hope to return some day...
