*At the age of 30, Van Gogh painting, writing,
watching the life of disadvantaged people the
miners, fishermen and craftsmen. The
paintings and sketches that time, performed in
the dark and gloomy tones infused with warm
sympathy for ordinary people.*

*In 1890, sold only during the life of the
artist Van Gogh's painting "The Red
Vineyard at Arles." It seems from the sale of
this painting fate finally turned away from
him. During the life of an
obscure and despised by the artist
