WHAT IS COMMUNICATION?

Communication is the method by which people share their ideas, information, opinions and feelings.

Methods of communication:

- Person to person-face to face, reading a letter, making a phone call;
- 2. In a small group-planning, problem solving, written reports, memos;
- In a meeting-presenting, bargaining, negotiating agreements;
- 4. Others-training, teaching, entertaining.

Verbal communication

Is when a person puts across a message by speaking. The message can be sent in a person via an intercom, over the phone, email etc.

Non-Verbal communication

There are numerous ideas, thoughts and feelings that are communicated without words.

Non-verbal communication is divided into six types:

- Body languages;
- Physical characteristics and appearance;
- Voice;
- Space;
- Environment;
- time.

To be a good communicate everybody must know 6 rules:

- 1. Plan what you will say;
- 2. Organize your thoughts;
- Recognize that actions speak louder than words;
- 4. Be concise;
- 5. Always translate your message into benefits for the other part;
- 6. Listen carefully to the other part.
