

*Valentine's Day.
Congratulation.*

To My Valentine

If apples were pears,
And peaches were plums,
And if the rose had a different
name -
If tigers were bears,
And fingers were thumbs
I'd love you just the same!

*Roses are red,
Violets are blue,
Sugar is sweet,
And so are you!*

My heart to you is given
Oh do give yours to me
We'll lock them up together
And throw away the key

Here is a valentine.
I made it just for you.
With paper and ribbons
And lots of glue!
I cut it with my scissors
And designed it with my paint.
If I tell you that I love you,
Do you promise not to faint?

Each day your smile becomes my morning star.
I look at you and then my feelings shine.
From you I learn far more than words or numbers:
You're the book that someday will be mine.
You're the one whose love my love of learning
Will one day trace in its ancestral line.
For all the ways you help me grow towards beauty
