Mow the
lawn

run

talk

think, make
decisions

What do robots possess/ show?

intelligence

интеллект,
рассудок

reasoning

умозаключение

MOBILITY

Accuracy

['ækjʊrəsi]

ТОЧНОСТЬ

consciousness

['kɒnʃənsɪs]

сознание, разум

creativity

**Will robots
inherit the earth?
Yes, but they will be
our children.**

--MARVIN MINSKY

READING

EXERCISE 4 PAGE 58

TEXT “WHERE ARE THE ROBOTS?”

Fill in: *built, overcome, divided, become, perform, cater, exist.*

- 1 One day, robots in our homes will **become** a reality.
- 2 Today, we have robots that are able to **perform** one task only.
- 3 Scientists have not yet **overcome** the problem of how to make a robot think.
- 4 Experts are **divided** as to when we will all have robot assistants.
- 5 It would be great to have a robot to **cater** for all our needs.
- 6 Honda **built** a robot called ASIMO that can climb stairs .
- 7 Robots that can think like humans do not **exist** yet.

Let's summarise

- Become a reality
задание
 - Perform a task
мнении)
 - Overcome a problem
реальным
 - Be divided
 - Cater for one's needs
 - Build
нужды
- выполнять
- разделяться (о
- становиться
- существовать
- строить
- удовлетворять ч-л

• exist

решить

Match the words to make phrases

1 nuclear

2 figurative

3 household

4 artificial

5 emotional

6 overcome

a brain

b robots

c a problem

d power

e speech

f responses

Read the following words

- Invention – изобретение
- Discovery – открытие
- Fact – факт
- Reality – реальность
