At the beach!

- In the summer, I go to the beach
- with my parents.
 - with my friends.
 - with my cousins.
- I take
- a towel
 - a deck chair
 - a sun shade
- and my favourite toy is
- a bucket and spade.
 - an inflatable ring.
 - a ball.
- I like
- playing volleyball
 - playing football
 - playing badminton
- with my brother, and I love
- swimming in the sea
 - surfing
 - making sandcastles
- because it's fun!
- But I hate
- camping
 - snorkelling
 - fishing
- because it's
- boring.
 - dangerous.
 - stupid.
