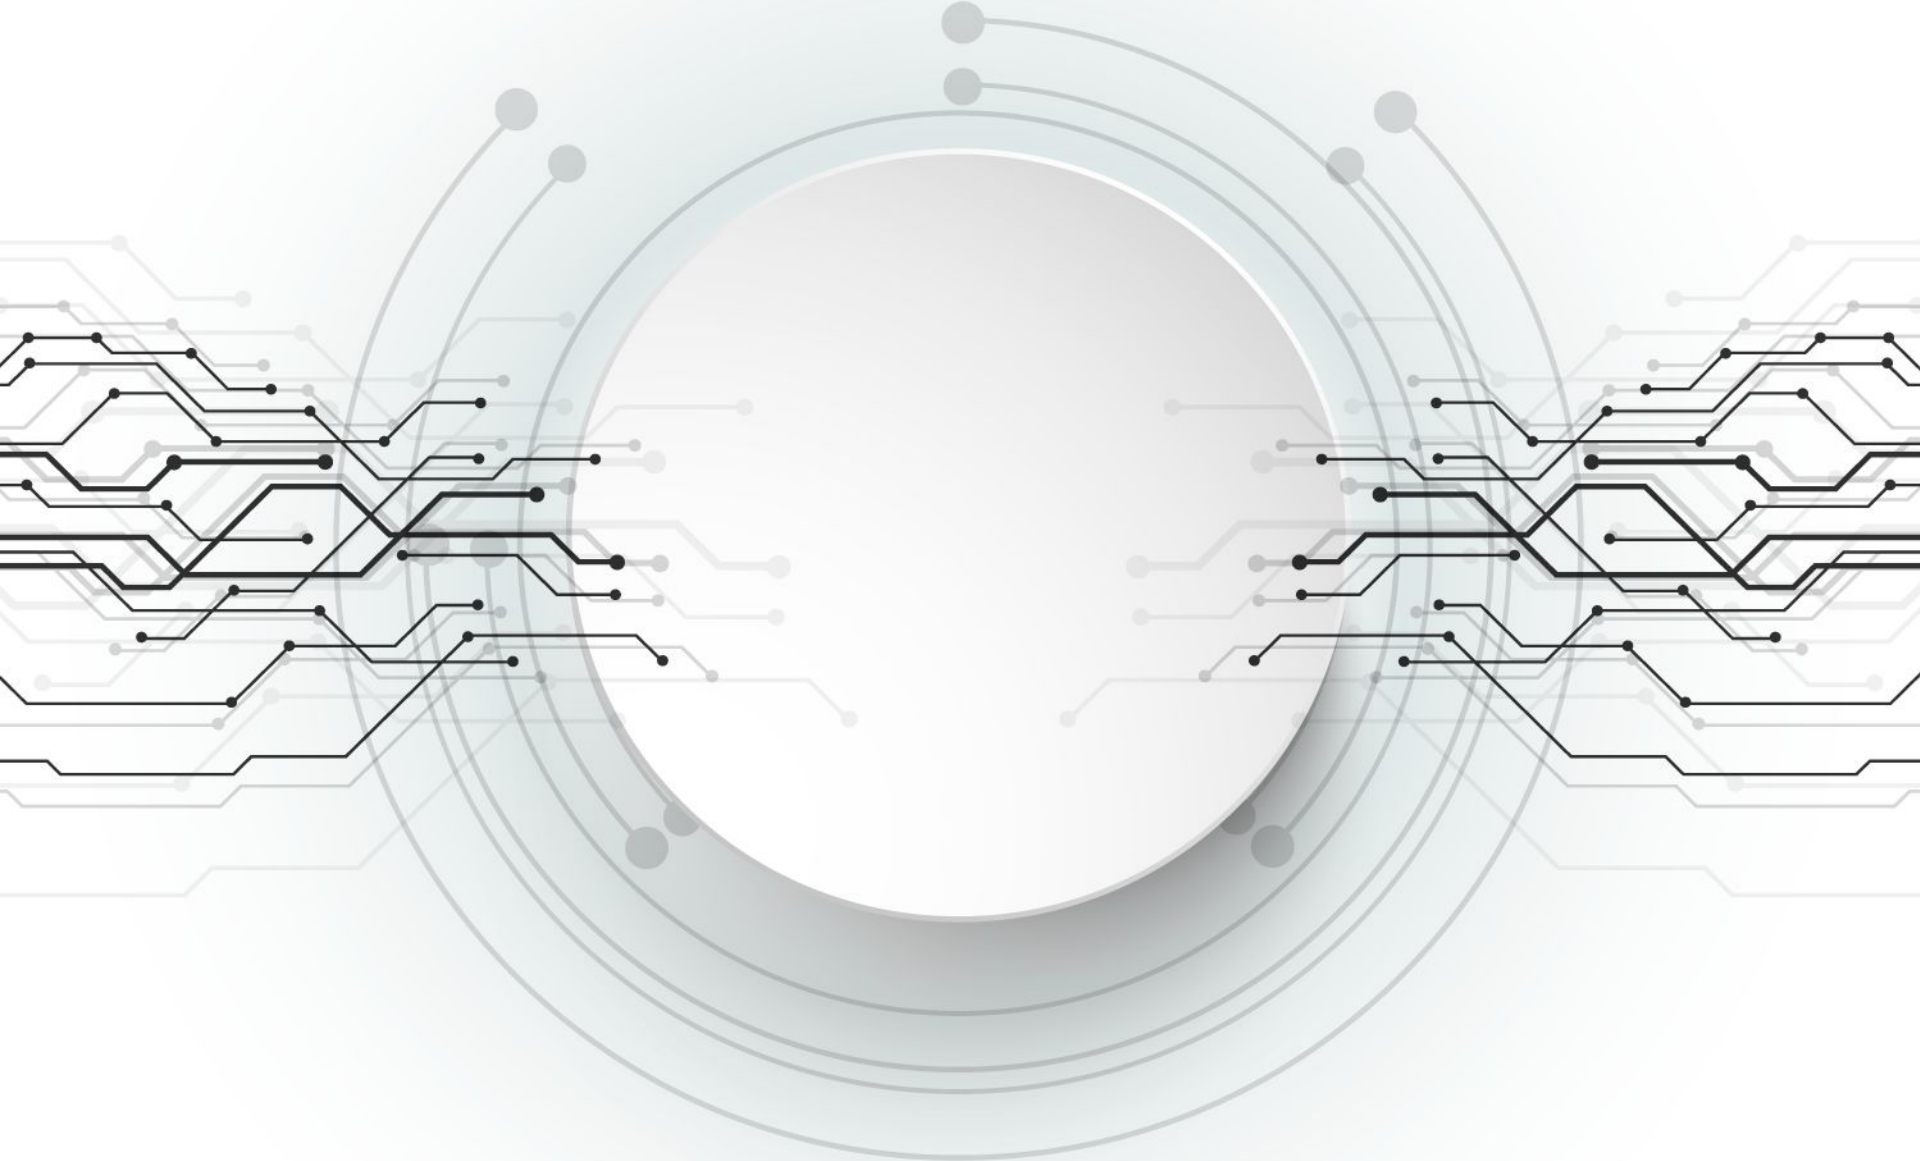
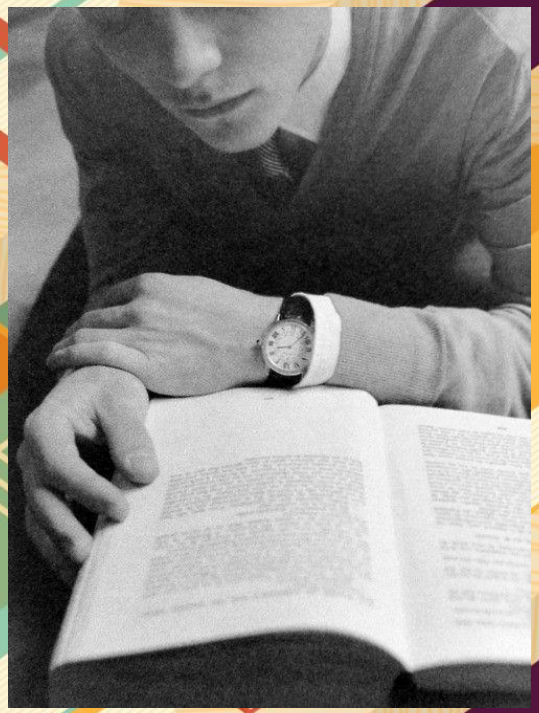
THE TECHNICIAN-PROGRAMMER IS THE SYSTEM ADMINISTRATORS, PROGRAMMERS, WEB DESIGNERS AND OTHER FIGHTERS OF THE INVISIBLE FRONT WHO SERVE THE COMPUTER WORLD. ALL OF THEM - WITH THE NECESSARY QUALIFICATIONS AND EXPERIENCE - ARE IN GREAT DEMAND IN THE GLOBAL LABOR MARKET.

That I become a good technician-programmer in the future must work hard, and then I will get what need

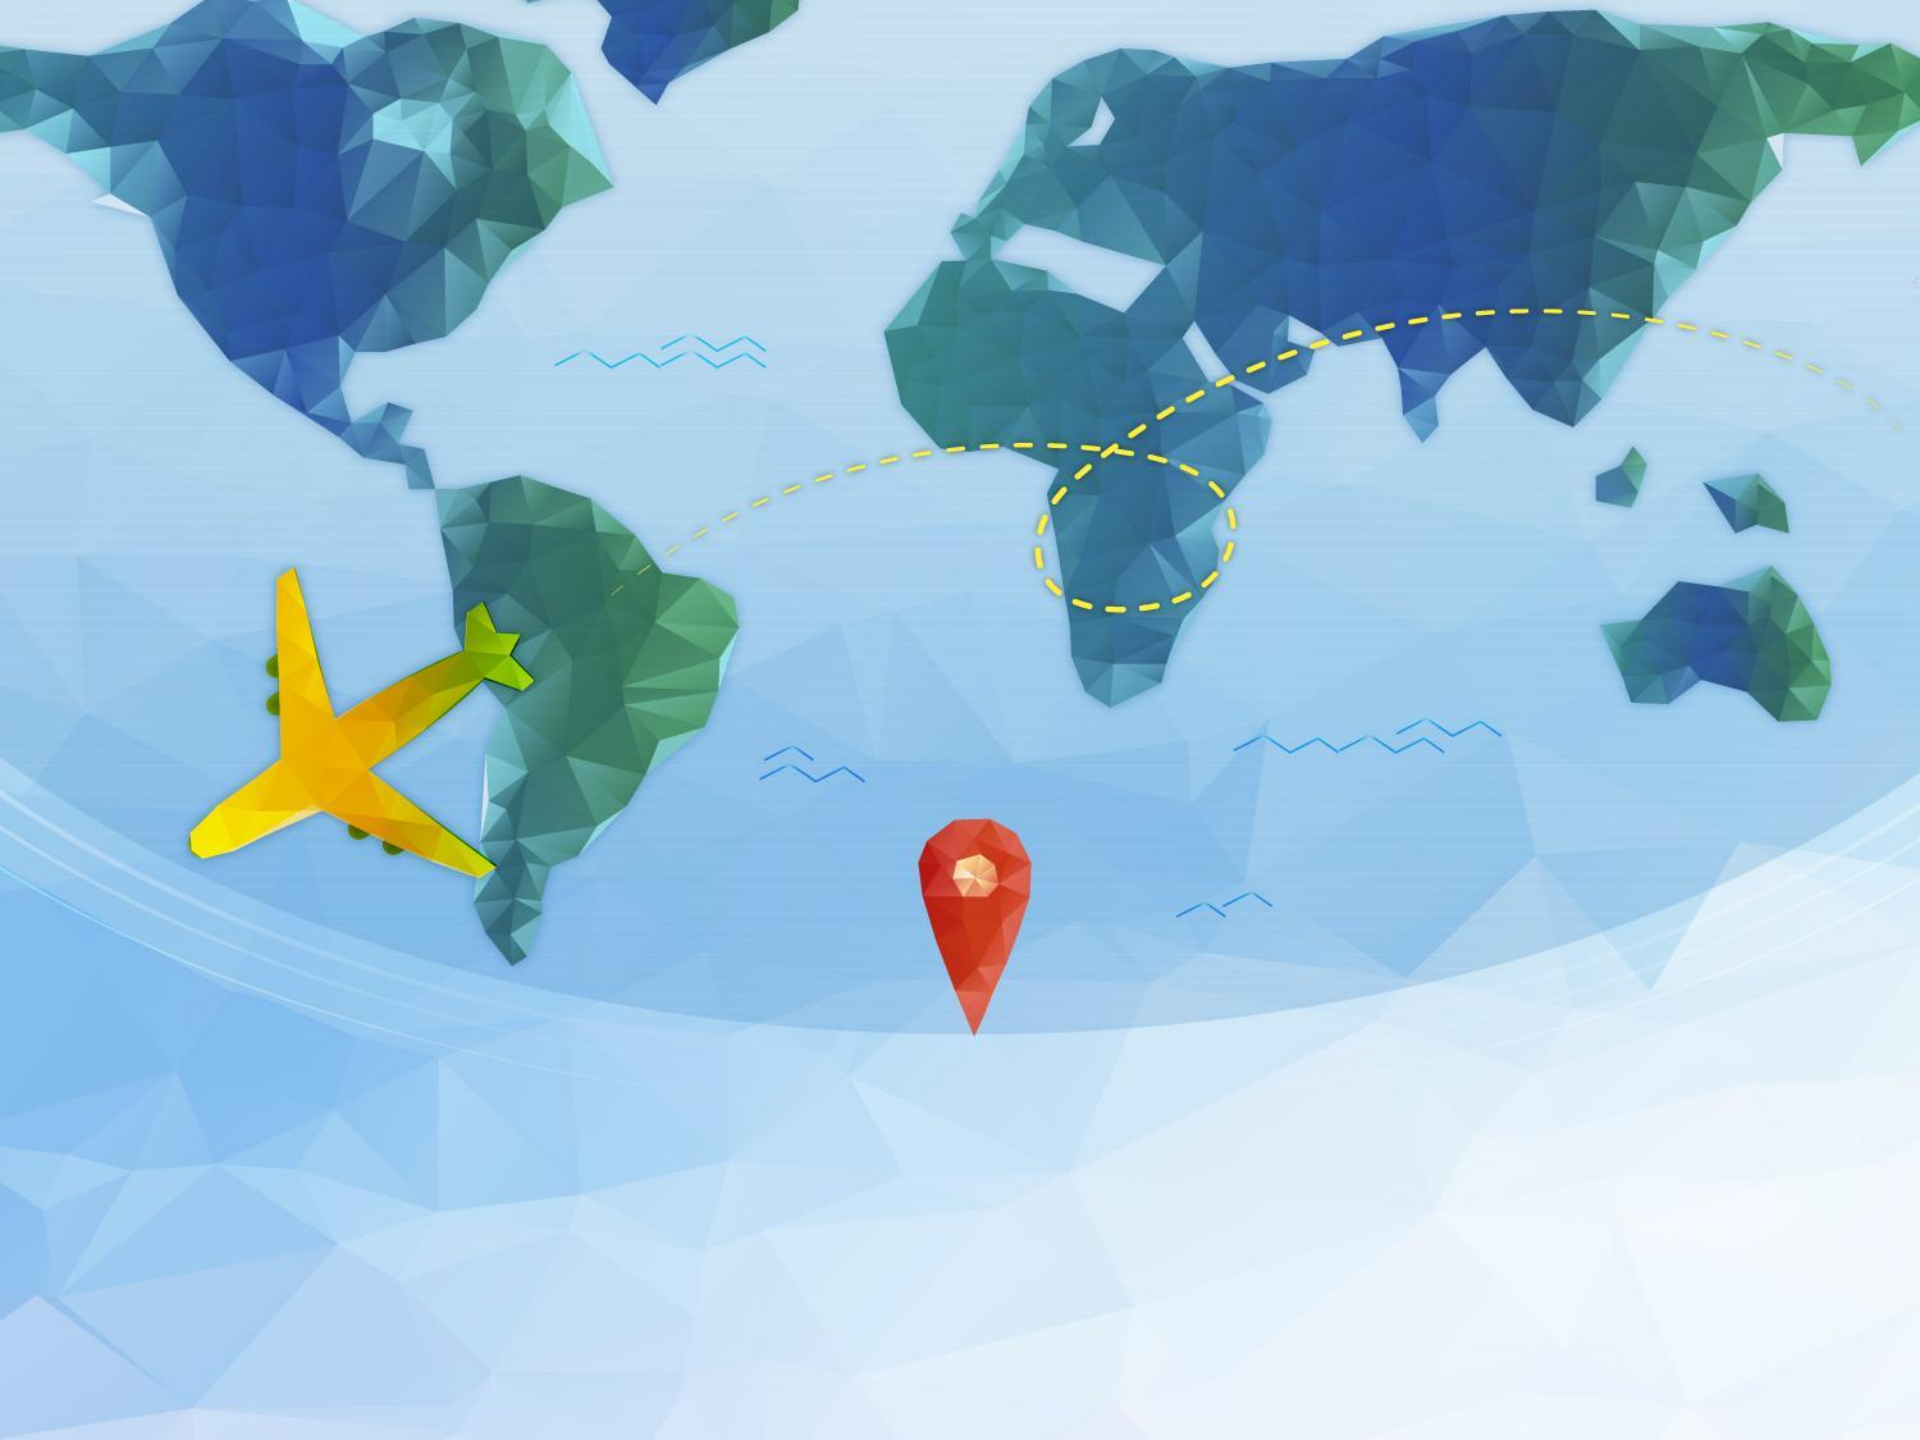
MY DREAM ... I MYSELF WANT TO CREATE A NEW PROGRAM FOR COMMUNICATION THAT EVERYTHING CAN BE USED. BUT OTHER THAN THESE PROGRAMS, I WANT TO CREATE APPLICATIONS THAT CAN QUICKLY GO TO THE SITE YOU NEED.

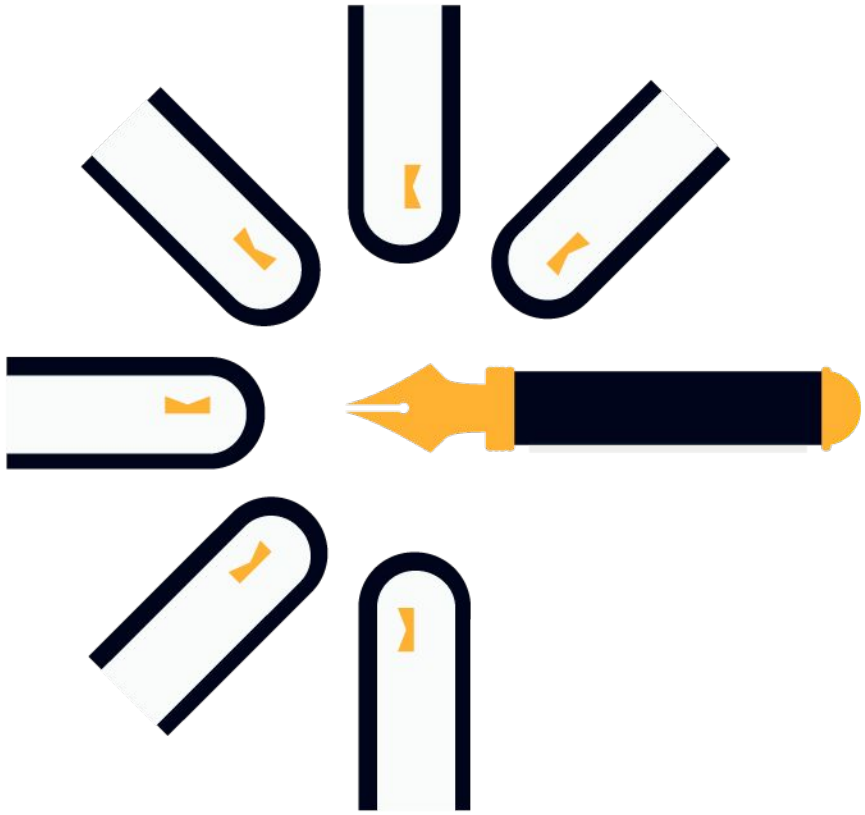


I like reading a book



I like traveling





I HAVE BEEN FOND OF FOOTBALL SINCE CHILDHOOD, AND I WANTED TO BECOME A FOOTBALL PLAYER, LIKE THE STARS OF WORLD FOOTBALL
