

*Happy Valentine's
Day!*

Lucy's Valentines

Lacy loves making Valentine's Day cards! She makes a card by folding red, pink or white paper in half. Then she uses some of her favorite art supplies to decorate the card. Her favorite supplies are glitter glue, markers, and puffy paint.

To make her cards look even more special, she adds lace around the edges. As a surprise, Lacy even makes a pop-up heart on the inside of the card!

Friends look forward to receiving a homemade Valentine from Lacy every February.
