

Join Our Team

Build your career with a job at one of the fastest growing companies in the world.

ATFX is one of the global leader in online trading and has been committed to the global investors to provide the best trading environment.

As a quickly growing company, we are always looking for passionate, talented and creative people to join us. If you're looking for a challenge that will lead you to the next level of your career, you've found the right place.

What to expect if you work with us

Fun, team-oriented atmosphere

We work together to bring our clients awesome results and never forget to have a little fun while doing it.

We listen to our employees

We are a company open to employees' suggestions. We help them achieve their goals and we support them in development. Our people are our greatest asset.

Growth and development

Work and learn from the best in their field. Explore and reach your full potential in an intellectually stimulating, collaborative and supportive environment.

Diversity

Our diverse mindsets are part of our strength! Team up with high achievers and passionate professionals from different backgrounds and walks of life.

ATFX Company Values

Clients' goals come first

Everything we do is designed with their end goals as our priority. We work backwards from there.

Be the guide. Not the hero

Give traders the knowledge they need and the tools to succeed from day one. And make the experience fantastic.

Simplicity

Point, click, trade. The easier we make our client's lives, the more they'll come back to us.

Invention

Always seeking improvement and evaluating what we're doing today to make improvements.

High standards

What got us here won't get us there. Raise the bar every day.

Life Culture at Our Workplace

Take a look at some of the photos of our teams, company events, trade fairs, and much more.
