I HAVE, WHO HAS MONSTER SIGHT WORDS

- 1 Print, laminate, and cut out the cards.
- 2 When ready to play, distribute one card to each child. If you have less than 24 students, you may want to give a few students more than one card or include yourself in distribution.
- 3 Play begins when the student with the first card reads his card. Students must listen for the first word/picture on their cards.
- 4 When a student hears his word/picture read, he then reads his card. Play continues until the last card is read.

DIRECTIONS TO EDIT:

If you would like to add words to this set, edit the cards beginning on page 11. Do not use the first "look" card. Use the second "look" card. Insert a text box with the word you would like to add. Continue inserting words until you have the words you need. Use the last card on page 12 for your last game card. You can duplicate pages 10-12 to add more cards. Font: KG Neatly Printed-Words are bolded. Free for personal use. Available on TpT.

My students like to exchange cards with friends and play the game 2 to 3 times.
