

GOING GREEN

**Marine
litter**

How are the following related to the text?

Read and translate:

- **Broken glass** - There might be broken glass in the sand and I can not see it. It would be very dangerous for the people on the beach.
- **Fishing net** - Sometimes you can find pieces of fishing nets on the beach. It makes the beach look very dirty. They can injure animals, too.
- **Drinks cans** - People drink soft drinks from cans and not

- **Plastic bags** - People bring food in plastic bags. If they leave them behind they are dangerous to animals.
- **Plastic buckets and spades** - People use them to build sandcastles but they can be left behind very easily. Sometimes you can find them lying on the beach, making it very untidy.
- **Beach balls** - Another fun toy you can find on any beach. When they burst, nobody wants them and they are left behind on the beach.
- **Food wrappers** - People often leave them behind causing litter.

Choose the right answer

-They say you have an environmental awareness day at school today. What does it mean?

-It's a special day when we learn what we 1) don't have to/should do to protect the environment. You know, how we 2) can/mustn't help to save the planet.

-That sounds interesting. What do you do?

-Well, for a start, everybody 3) should/can't walk or cycle to school to save energy. And we 4) mustn't/must make sure we don't waste energy.

-I see. Besides, we 5) ought/should recycle paper, glass and plastic.

-You are right. I think you 6) had better/have to have an environmental awareness day at your school, too.
