Stonehenge is a **mysterious** circle of stones in the south-west England. People built Stonehenge between 5,000 and 4,000 years ago and that forms just one part of a larger sacred landscape.

The Romans built **Hadrian's Wall** from one side of England to the other. It is seventy-three miles long to the north. The Wall is forty-five miles from the west to the east,

Giant's Causeway is in the North of Ireland. According to the legend, a giant built this road to walk across the sea from Scotland to Ireland.

Canterbury Cathedral in the south-east of England is the center of the Church of England. Canterbury Cathedral is one of the oldest Christian churches in England and it continues to play a central role in English Christianity.
