

ACROBATIC ROCK-N-ROLL

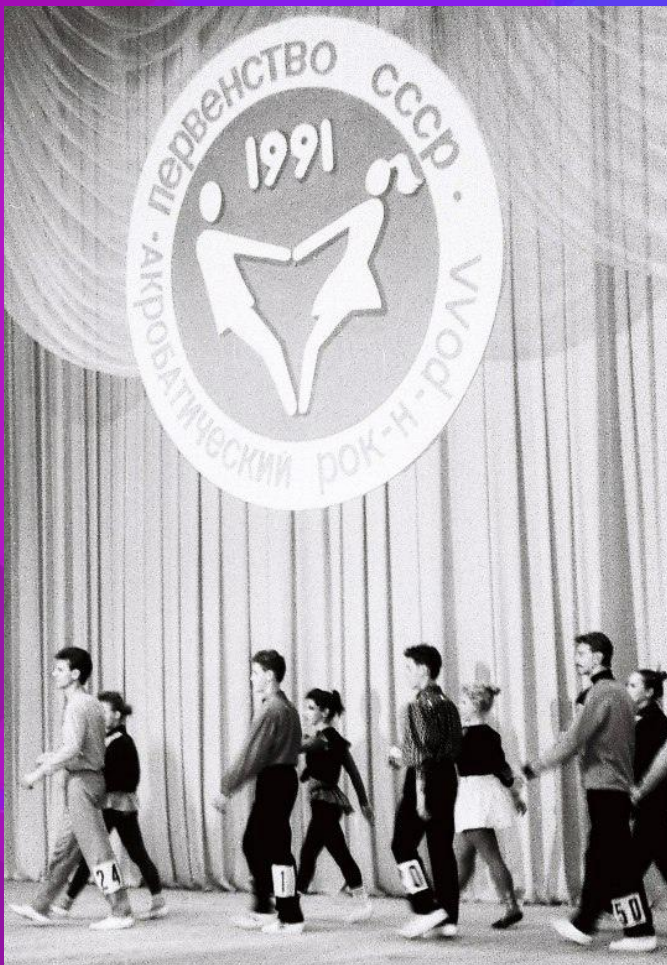

WHAT IS IT?

Created by Voronov Victor

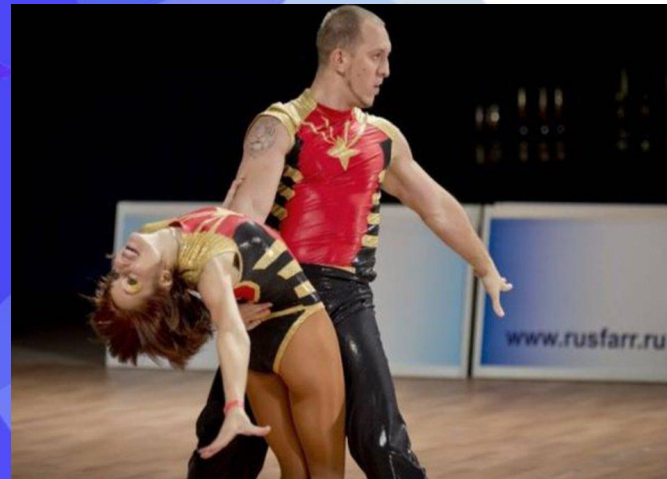

Acrobatic rock-roll is a sport that combines elements of acrobatics and dance.

Acrobatic rock-roll has been created in the 70s of the last century.

It came to Russia in 1986 after the World Games in Moscow and in 1987, the first official tournament was already held.

Today Russia is one of the undisputed leaders of international competitions. Russian athletes have repeatedly become world champions and prize-winners of world championships, World and European Cup winners.
