The game board features a central blue rectangular area with a character named Mag Magnoлик (a girl with orange hair, a green dress with white polka dots, and yellow shoes) standing in a green oval doorway. Below her is a red and green circle. At the bottom of the board are two giraffe cards: 'БОЛЬШОЙ ЖИРАФ ЖОРИК' (Big Giraffe Zhorik) and 'МАЛЕНЬКИЙ ЖИРАФ ЖОРИК' (Small Giraffe Zhorik). At the very bottom is a white box containing four black geometric shapes: a circle, a triangle, a square, and a square with a dot below it.

Four rows of shapes are shown on the left and right, with arrows pointing from left to right through the central board:

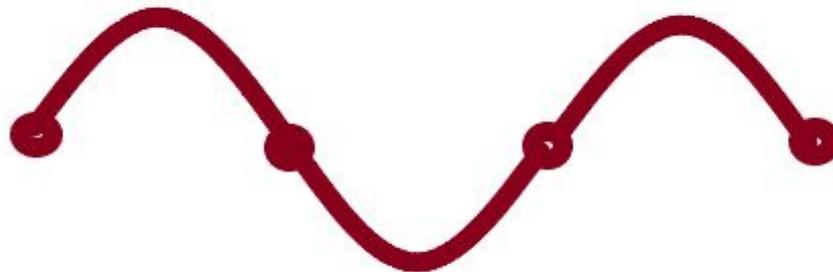

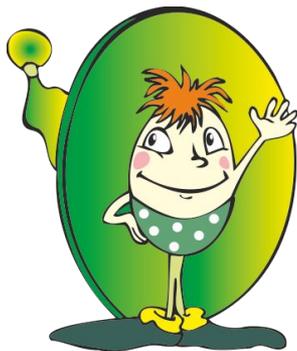

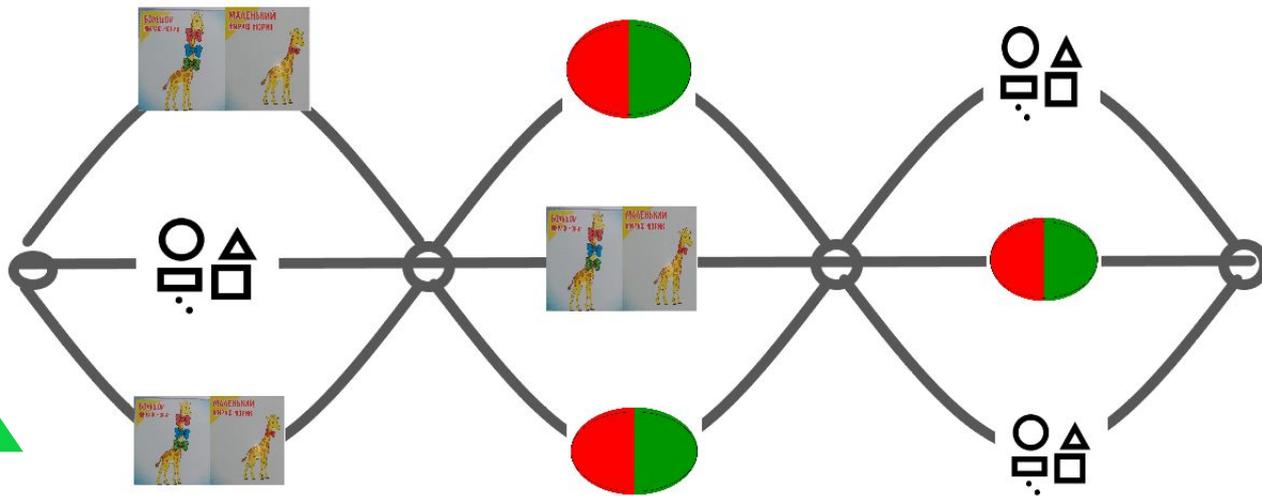

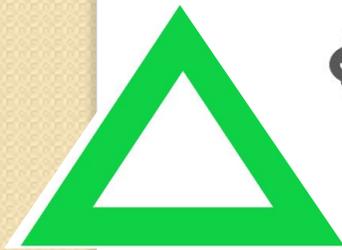

- Row 1: A large green square on the left, a red square on the right.
- Row 2: A large green ring on the left, a small green circle on the right.
- Row 3: A large green triangle on the left, a small green square on the right.
- Row 4: A small green circle on the left, a large green ring on the right.
