ЛЕКАРСТВЕННЫЕ РАСТЕНИЯ

ПОДОРОЖНИК

ЛЕКАРСТВЕННЫЕ РАСТЕНИЯ

A close-up photograph of a nettle plant. The leaves are bright green, serrated, and have a prominent vein pattern. Small, light-colored flowers are visible in the center of the leaf clusters. The background is a dense field of similar leaves.

КРАПИВА

ЛЕКАРСТВЕННЫЕ РАСТЕНИЯ

A close-up photograph of a chamomile flower head, showing the intricate texture of the yellow disk and the surrounding white petals. The background is softly blurred, showing other similar flowers.

РОМАШКА

ЛЕКАРСТВЕННЫЕ РАСТЕНИЯ

A close-up photograph of a field of yellow flowers, likely Motherwort (Leonurus japonicus). The flowers are bright yellow with many small petals, and the stems are green and slightly woody. A small bee is visible on one of the flowers. The background is a mix of green foliage and brown, dry leaves on the ground.

МАТЬ-И-МАЧЕХА

ЛЕКАРСТВЕННЫЕ РАСТЕНИЯ

A close-up photograph of several bright red, round rose hips (hips) hanging from a green rose bush branch. The hips are clustered together, and some green leaves with serrated edges are visible in the background. The lighting is bright, highlighting the texture of the hips and the veins on the leaves.

ШИПОВНИК

ЛЕКАРСТВЕННЫЕ РАСТЕНИЯ

A close-up photograph of a branch of sea buckthorn (Hippophae rhamnoides) covered in bright orange berries and green leaves. The berries are small, round, and clustered together on the branch. The leaves are elongated and green. The background is a soft-focus blue sky.

ОБЛЕПИХА

ЛЕКАРСТВЕННЫЕ РАСТЕНИЯ

МЯТА

ЛЕКАРСТВЕННЫЕ РАСТЕНИЯ

A close-up photograph of a wooden basket overflowing with bright red lingonberries. The berries are spilling out onto a bed of vibrant green moss. The background is a soft-focus forest scene with green foliage.

КЛЮКВА

ЛЕКАРСТВЕННЫЕ РАСТЕНИЯ

БРУСНИКА

ЛЕКАРСТВЕННЫЕ РАСТЕНИЯ

A close-up photograph of several ripe, red raspberries on a branch with green leaves. The raspberries are clustered together, and some are still partially covered by their protective husks. The background is a soft, out-of-focus green.

МАЛИНА

ЛЕКАРСТВЕННЫЕ РАСТЕНИЯ

A close-up photograph of a dill plant in full bloom. The image shows several green stems with finely divided, feathery leaves. At the top of the stems are large, flat-topped clusters of small yellow flowers, known as umbels. The background is slightly blurred, showing more of the same plants and some soil.
