

# My personal zoo

# Who did it:

## ALINA KHUDYAKOVA

The name of the zoo:

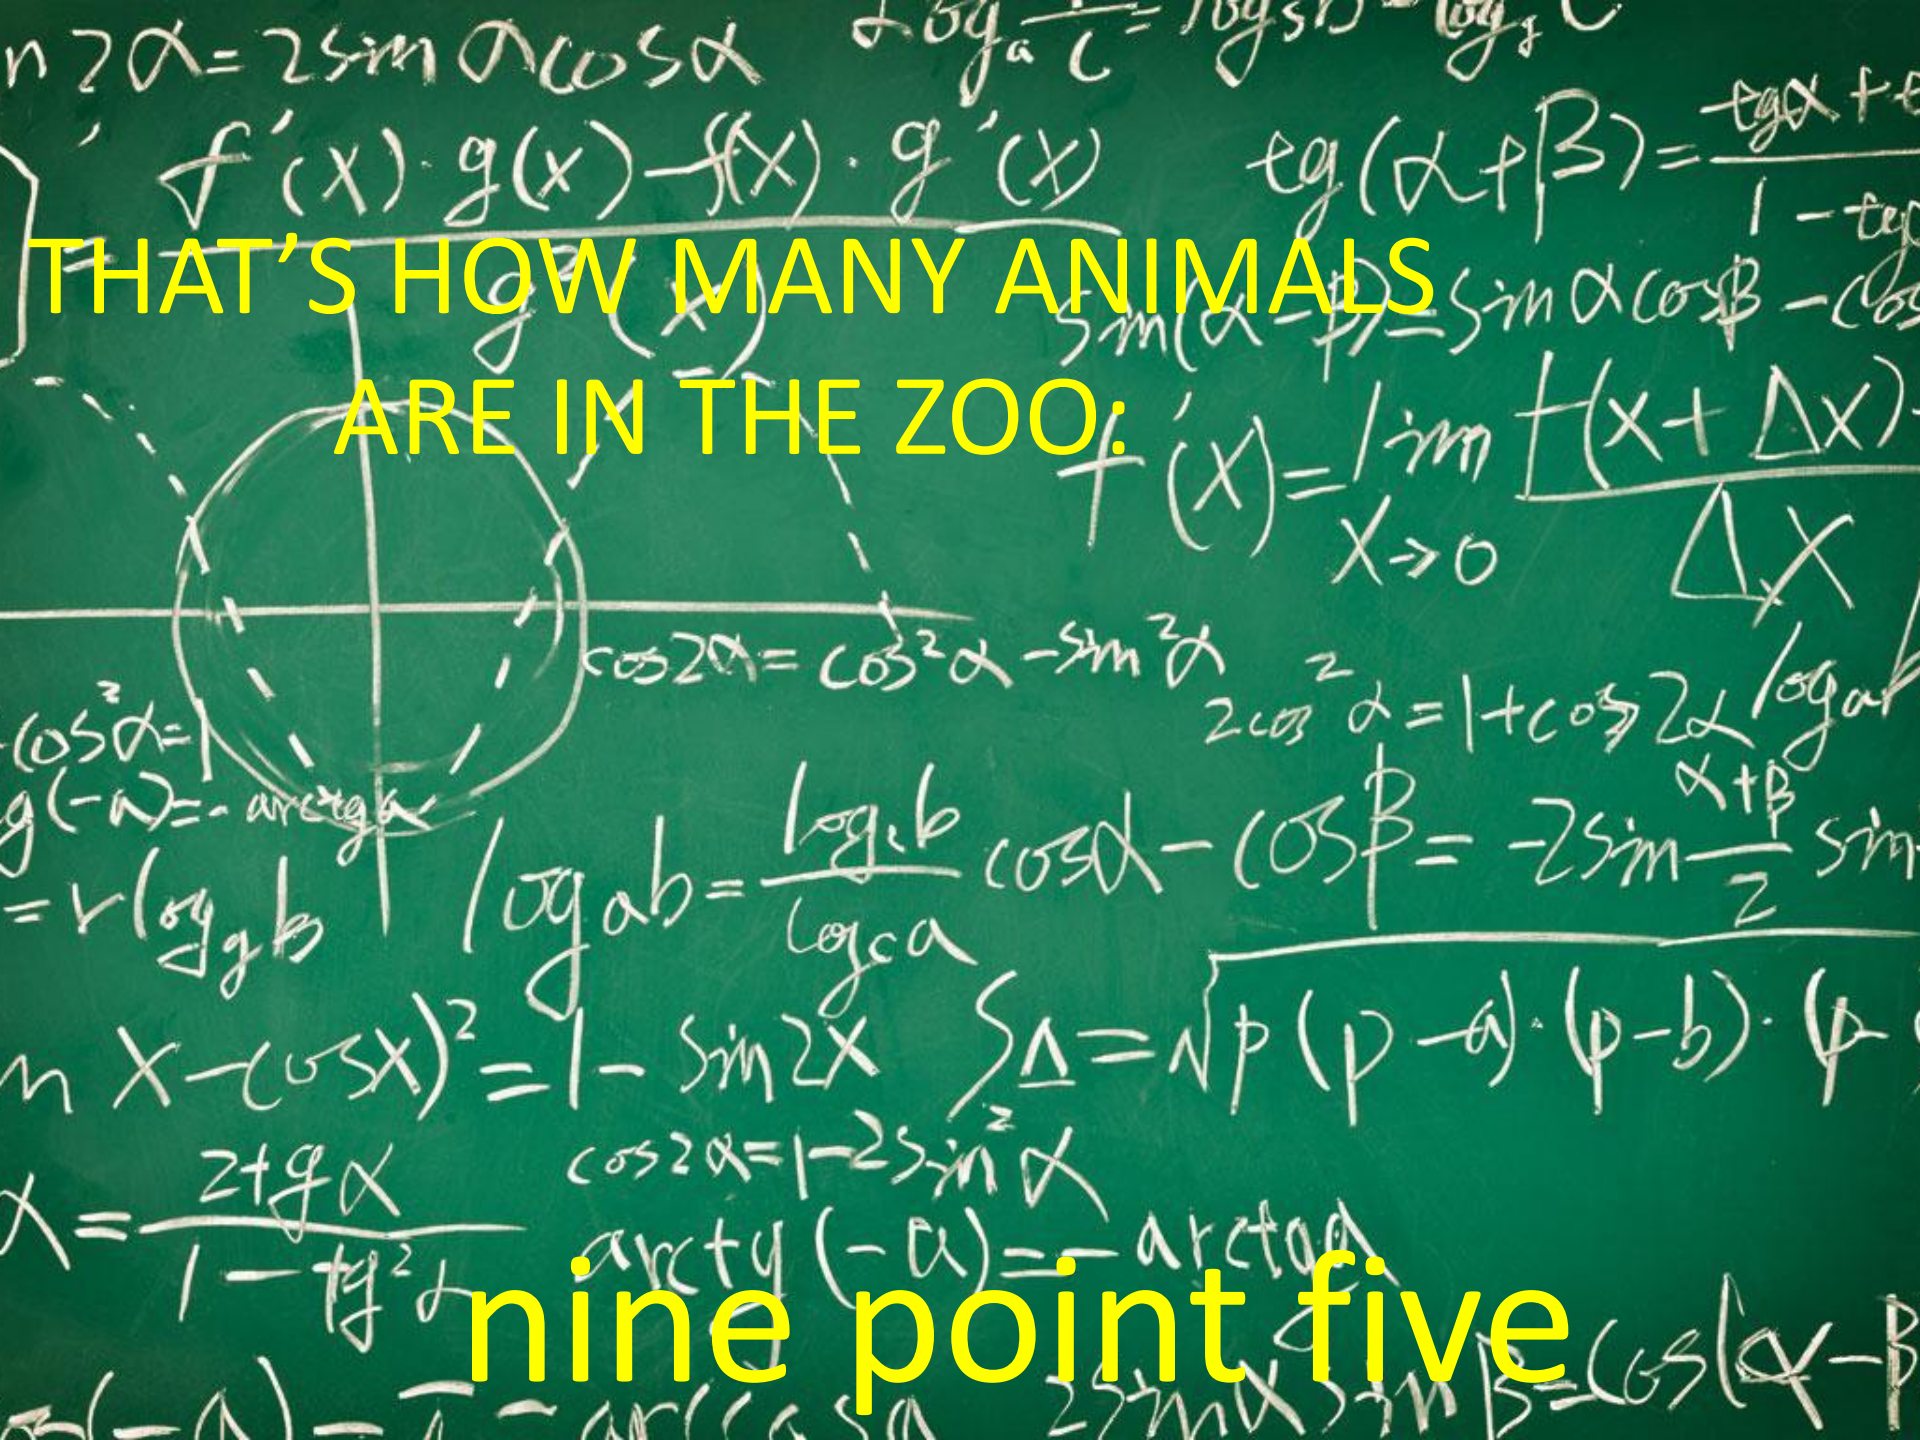

**AAAAAH!!!**

# History of the ZOO:

MY CAT WAS VERY MAD AND I DECIDED  
TO BUILD A ZOO FOR HIM. AND THEN  
THERE CAME CATHOLICS WITH MONKS  
AND MONKS BEGAN TO SELL  
INDULGENCES TO ANIMALS. I PUTTED  
THEM IN CAGES, TOO.

THAT'S HOW MANY ANIMALS  
ARE IN THE ZOO:

nine point five

These are the animals in my zoo:

Cat, Catholics, monks and frogs: half  
frog with half frog and half frog.

A close-up portrait of a man with short brown hair, wearing dark sunglasses and a black beaded necklace. He is looking slightly to the left. The background is a clear blue sky with some light clouds at the bottom. The text "Do I need help with my zoo?" is overlaid at the top.

Do I need help with my zoo?

NO!!!

How much are tickets there?

They cost zero dollars because I don't really have a personal zoo!

Thanks for your attention,

favorite teacher!
