Примерный ответ

- *Now I'm going to give a talk about reading books.*
- **In my opinion**, reading books is really popular now. Many of my friends and classmates are fond of them, **especially** they prefer to read romantic novels and detective stories.
- **Nowadays many people argue** if libraries are necessary or not. **As for me**, they are important because they can teach us about the culture of reading. A librarian is the person who can give teens lectures on how to read a book properly, to enjoy every page of it.
- **Personally I** have recently read "Hunger Games" by Suzanne Collins. It's a real page-turner! It tells us a story of a girl whose name is Katniss Everdeen. She lives in the future in North America. She and 11 other teens are selected by lottery to take part in the Hunger Games, a battle to the death.
- **In the end I would like to say** that reading books is my cup of tea. If I start reading a good book, I simply can't put it down until I'm done reading it. I can even forget about doing my homework! **So, I can say** I'm an enthusiastic reader.
- *That's all what I wanted to say.*
