A rustic wooden sign hangs from a metal chain against a white wooden plank background. The sign is made of weathered, dark brown wood with a rough, splintered left edge. It features the words "COWBOYS" and "WELCOME" written in a bold, black, hand-painted serif font. A metal chain is attached to the top of the sign, forming a triangular shape. A faint "fotolia" watermark is visible in the center of the sign.

COWBOYS
WELCOME
