A weathered, rectangular wooden sign hangs from a dark metal chain. The sign is made of several horizontal planks of wood, showing significant wear, discoloration, and some missing material at the edges. It features the words "COWBOY'S" and "WELCOME" in large, bold, black, serif capital letters. The "O" in "COWBOY'S" is stylized with a small heart or arrow pointing down through it. The "W" in "WELCOME" has a decorative flourish on its top right stroke. The sign is suspended from a dark metal chain that is attached to a single screw eye on the top edge of the sign.
