

A 3D-rendered male teacher with a beard, wearing a tan suit and a light blue shirt, stands in a classroom. He is pointing with a white chalk stick towards a green chalkboard. On the chalkboard, the words "Teaching Jobs" are written in large, white, sans-serif font. To the left of the teacher, on a wooden desk, there is a globe, a red apple, and a small drawing of a house. A yellow sponge is also on the desk. The scene is brightly lit, suggesting a window on the right.
