

# SHANXI, CHINA CITY BUILT IN THE MOUNTAINS OF SHAN

This is amazing  
and we have to wonder how,  
why and when did they do this.  
From where & how do they get  
water...power...sewer....?  
How did they build all this??

And why, way, "up there"!!

My best guess is that this is a Buddhist Monastery -  
They are noted for building in the most extreme,  
inaccessible, but scenically speaking, some of the most  
beautiful places there is.
