

**SHANXI, CHINA
CITY BUILT IN THE MOUNTAINS OF
SHAN**

**This is amazing
and we have to wonder how,
why and when did they do this.
From where & how do they get
water...power...sewer....?
How did they build all this??**

And why, way, "up there"!!

**My best guess is that this is a Buddhist Monestary -
They are noted for building in the most extreme,
inaccessible, but scenicly speaking, some of the most
beautiful places there is.**
