

Lady Gaga

Zhenya Koilov, Jegor Olar

Lady Gaga is an American singer, songwriter, producer, philanthropist, designer and actress. Her real name is Stefani Joanne Angelina Germanotta. The start of her career was started in 2005 year, when she became a singer.

Why we chose her?

We admire her, because we like how many charitable actions she supported and that she dont stop to help today to other people.

Haiti

After the strongest earthquake in Haiti Gaga donated the proceeds of her January 2010 Radio City Music Hall concert to the country's reconstruction relief fund.

Earthquake in Japan / 2011

After the earthquake in Japan, she created bracelets, the proceeds from the sale she sent to the victims

Fight with HIV/AIDS

Lady Gaga and Cyndi Lauper launched their own lipstick lines together with the world brand of cosmetics MAC - Viva Glam Gaga Lipstick and Viva Glam Cyndi Lipstick. Both lipsticks retail for \$35 each, with every cent going directly towards the MAC AIDS Fund which has raised more than US\$160 million in the fight against HIV/AIDS.

Born This Way Foundation

In 2012, Gaga launched the Born This Way Foundation (BTWF), a non-profit organization that focuses on empowerment of young people. That fund saves a thousand teenagers from desperate situations. Lady Gaga's mom is the manager of this fund.

That not at all

Also she often visits school, hospitals, sells her own clothes, cars, instruments and all of this goes to different charities
