UNIT 3

People at work

Reading

A helicopter pilot

helicopter
This can fly at 200 kilometres an hour.

helmet

goggles

earphones
The pilot listens to people on the ground.

microphone
The pilot can speak to people on the ground.

a helicopter. The helicopter can fly quickly over mountains. It can land on hills. It is faster than a motorbike. The pilot's job is often exciting.

a helmet. It is very hard. The helmet protects his head. He wears sunglasses. The sun shines very brightly. The sunglasses protect his eyes. He wears a headset under his helmet. Sometimes he talks to a lifeguard on a beach. He speaks into the microphone. He can hear people on the ground through his earphones.
