

Trains.

# What is it?

# Different means of travelling.

I like to travel ....., because .....

**(aero)plane(s)**

**(bi)cycle(s)**

**boat(s)**

**bus(es)**

**car(s)**

**helicopter(s)**

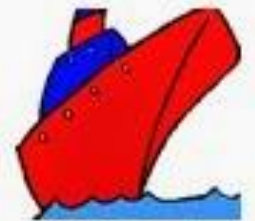

**lorry(lorries)**

**moped(s)**

**(motor)bike(s)**

**ship(s)**

**submarine(s)**

**tanker(s)**

**taxi(s)**

**train(s)**

**yacht(s)**

# Trains.

- ✓ A through train
- ✓ A fast train
- ✓ A long-distance train
- ✓ A local train.

- ✓ A train that moves in a particular area (usually an area where you live in).
- ✓ A train you can use to travel all the way to a place without changing trains or buying another ticket.
- ✓ A train that moves at a high speed having few stops.
- ✓ A train covering long distance, taking passengers to far-away places.

# Find the translation.

A carriage (Am.E – a car)	Вагон для курящих
A sleeping car	Вагон ресторан
A smoker	Спальный вагон
A non – smoker	Вагон
A dining car (a restaurant car)	Вагон для некурящих

A carriage

A sleeping car

A smoker

A dining car

- ✓ Destination – место назначения
- ✓ A guard - проводник
- ✓ Arrival - прибытие
- ✓ Departure - отправление
- ✓ Board - табло
- ✓ A single ticket – билет в одну сторону
- ✓ A return ticket - билет в обе стороны

# Advantages and disadvantages:

- ❖ Safer than other vehicle, trains cannot take you from door to door and places to places, more comfortable, don't need car park, you need a bus or taxi to take you to the railway station, you have to fit timetable and travel at certain times, trains less pollutant than bus.
