SOCK and GARTER in ONE!

Holeproof's revolutionary
sock invention—Pacer—has
perfect-fitting washable
garter already attached.
Guaranteed for the life of the sock

THINK of the satisfaction of having
CLEAN garters daily! Think of the
ease—knowing when you slip your socks
on that they will stay up comfortably,
surely, smoothly all day long!

Pacer ends all the bother of separate
garters. Gives you a regular length
sock PLUS an already-attached garter,
which rests easily on the leg at the
correct natural angle for perfect support.
In one motion, you slip Pacer on
and up—to stay. Quick . . . convenient
. . . and always CLEAN—for the garter
is washed along with the sock!

Good stores everywhere have Pacer for
you . . . in new patterns of the type you
prefer—or plain. Pacer costs so little
for so much comfort, we know you'll
like it. If you don't, your money back!

of Fabrics Testing, Bureau.

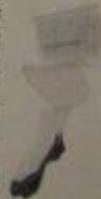

If you still prefer the regular
type of sock, we present the
finest range of PATTERNS in
our history . . .

Among the latest novelties
it's been a matter of comment
for several seasons that
Holeproof's styling is
"tops." Ribbs, stripes,
checks, checks, stripes—
it's a grand selection.
Shown here are four of
the popular 52c group.
Others from 25c to \$1.00.

And for Women:

We probably shouldn't mention
them! "The Magazine De Nyon,"
but the authentic new Spring
Colors in Society's Holeproof
Hosiery are ready at your
favorite store. Developed in co-
operation with leading makers
of fabrics and leathers on both
sides of the Atlantic, to complete
the new costume studio.
Shown in expensive styles or
modest weights . . . from \$1.00
down to as little as 75c.
