Amelie

A stylized illustration of two houses on a red background. The house on the left is white with a red outline and a red window. The house on the right is red with a red outline and a red window. The houses are set against a solid red background, and the title 'Amelie' is written in a large, black, serif font at the top.

Ksyusha

A cartoon illustration of a red fire station and a red fire truck. The fire station is a two-story red building with a grey roof, several windows, and a large white door. A fire truck is parked in front of the station, and a firefighter is visible near the entrance. The entire scene is set against a solid green background.

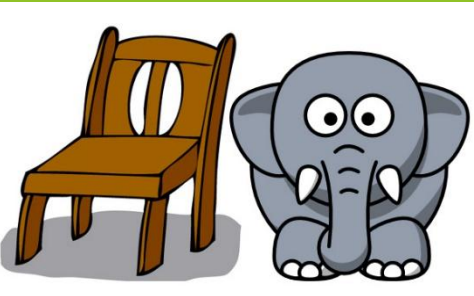

Miroslava

An illustration of three houses on a hill. The houses are stylized with white walls and brown roofs. The house on the left is the smallest, the middle one is medium-sized, and the one on the right is the largest. They are set against a background of a green hill with a yellow sky. The houses have multiple windows and doors, and the overall style is simple and graphic.
