Jonathan lived in

Table

5

Salt Lake City

Jonathan's career took him a lot of places in the Pacific and Mountain Northwest!

Salt Lake City was the beginning of his appreciation and desire to be in the mountains and the beginning of changing his career trajectory from construction management back to engineering.

Table

6

Seattle

Jonathan's career took him to Seattle twice. During his most recent stay he lived in a suburb of Seattle and met two of his best friends – Robb Williams and Rob Burgess; who just happen to be groomsmen with the couple today!

The flower girl Whitney is the daughter of Robb and Amber Williams and is also Jonathan's Goddaughter!

Table

7

Minsk

Lisa was born in Minsk, Belarus. She spent the first 7 years of her life there. Her Dad, sister, Grandmother, and entire extended family still lives in Belarus. Her and Jonathan were able to visit the whole family in 2019.

Fun fact: Jonathan even asked her Dad permission to marry Lisa over Skype with her mom translating.

Table

8

Frankfurt

Lisa went to elementary and middle school in Dreieich, Germany, a small town 20min outside of Frankfurt. She speaks German fluently even though she is getting a little rusty these days. Lisa loves German & Swiss Chocolate and refuses to eat Hershey bars.

Table

9

San Francisco

Lisa went to High School in the Bay Area. She went to a German School for one year after moving from Germany and then transferred to Carlmont High School her sophomore year.

Table

10

Boston

Lisa went to Northeastern University in Boston where she majored in Finance. She loves the beautiful Boston architecture but does not follow any sports and has no clue what the rules are for most sports despite living in the biggest sports town in the US for 5 years.

Fun fact: All of Lisa's bridesmaids went to Northeastern!

Table

11

New York

Lisa moved to New York after college hoping to find her dream job and her dream husband. She found neither. But she did find a wonderful group of friends who we are excited to have hear today. She lived in NYC for almost three years and decided to move back to sunny California after living through years of snow storms and humidity.
