

Conversation

- ✓ Do you play fortnite?
- ✓ How many hours a day do you play?
- ✓ How many friends do you have in the game?
- ✓ Is fortnite your favorite game? If not, what is your favorite game?

The game **was created** in 2017 by Epic Games. **There are** three different modes- *Save the world, Battle Royale and Creative.*

Gamers can choose what mode they want to play

SELECT A GAME MODE

Save the world

In this game mode, players work **together** to fight zombies, **gather resources** and defend houses or bases from attack. It's a survivor and construction game.

Creative mode

Players here have the opportunity to make their map and invite friends to play. On the island they create, they can create **buildings**, **obstacles**, races, jumping courses and **shoot-out**.

Battle Royale

It's the most popular with the players. Players **fall** from the sky on an island **without weapons** and then have **to search** the island for **supplies** and weapons to survive.

COMPETITION

TIME

With millions of dollars in prize money, the competitive scene is growing every year. In 2019, the game gave 100 million dollars in prize money. The Fortnite World cup gave 3 million to the winner

Players from all over the world can compete in the online competitions. Weekly competitions happen in the game and there are players that earn good money playing the game professionally.

What if you want to be a pro player?

If you want to be the best at anything in life, it requires dedication and time. It takes hundreds, if not thousands, of practice hours and gameplay to be a professional player at Fortnite.

New season

METRO.co.uk

New season- What is new?

- Map
- Water skiing
- New NPC enemies
- New characters

The western part of the island is underwater. Actually, most part of the map is afloat.
