

The legality in public administration

Katya Gerasimova

Victoria Ivchenko

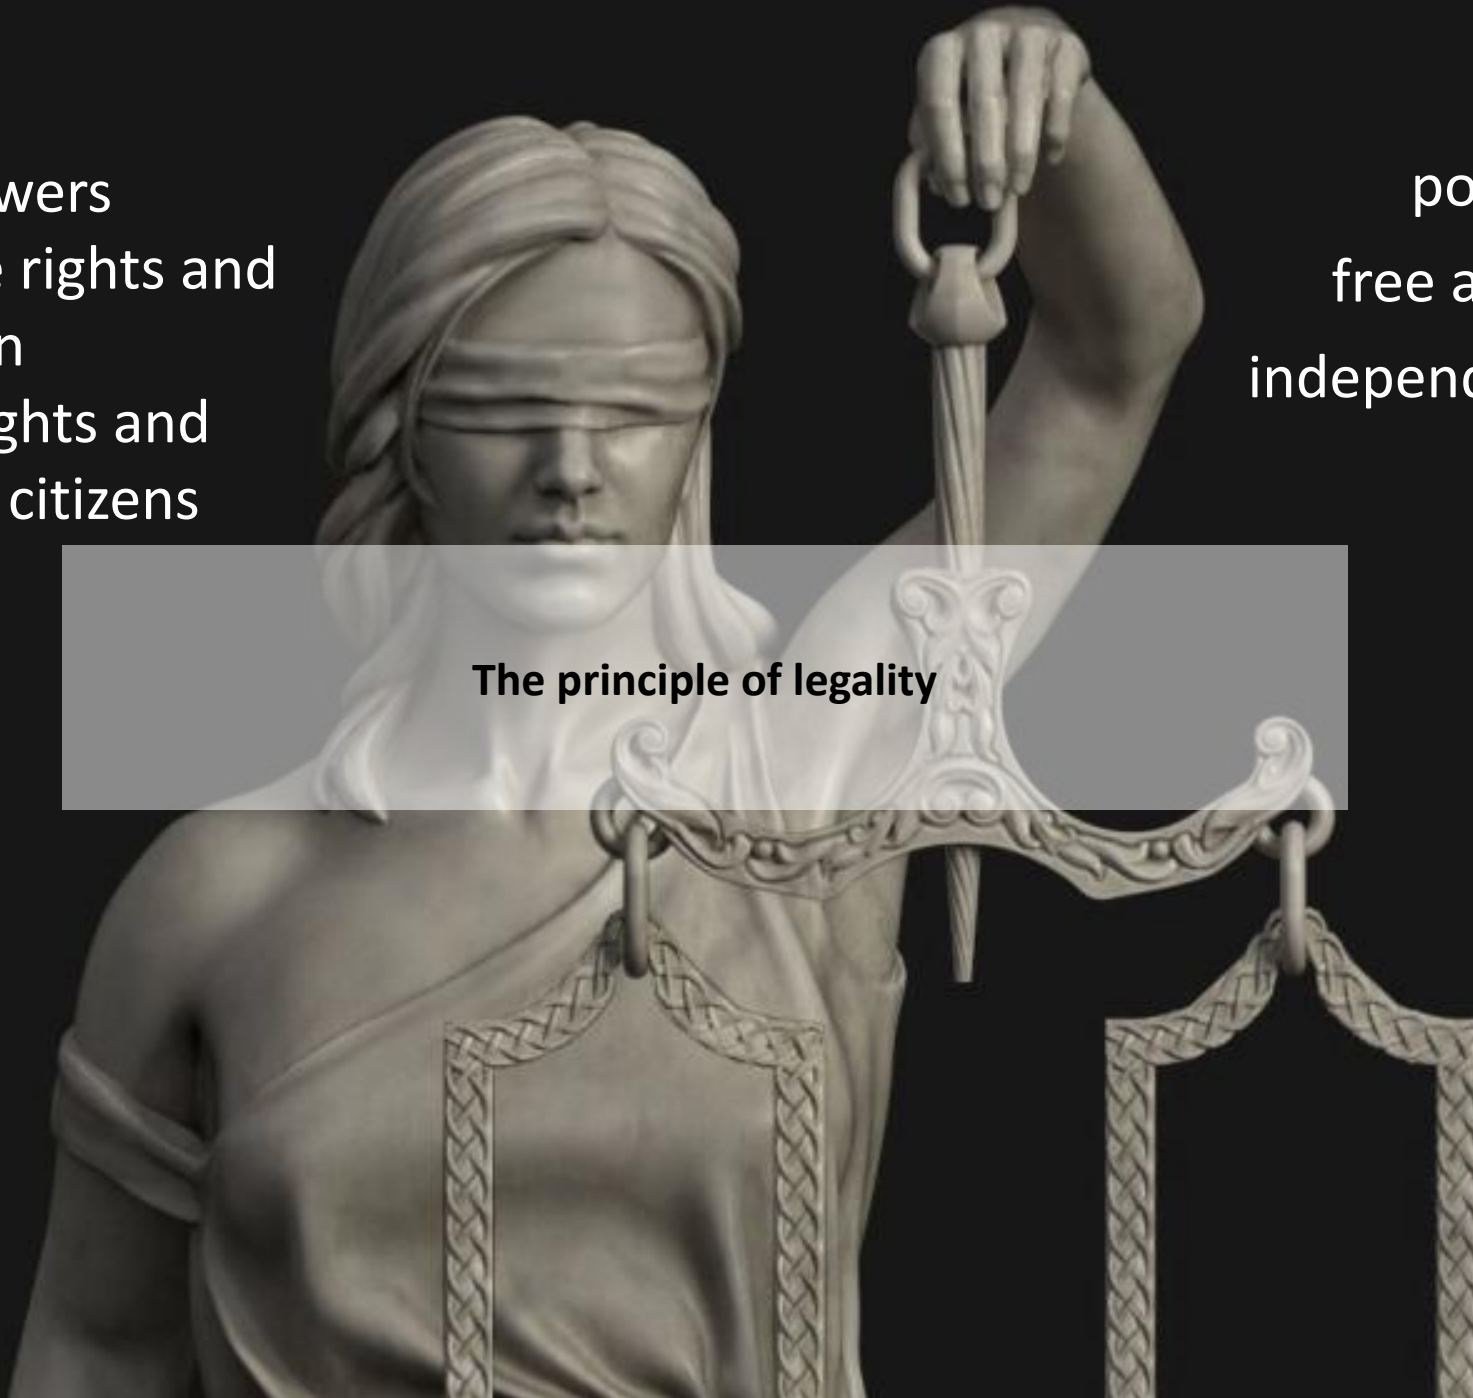

A man in a dark suit, white shirt, and dark tie is shown from the chest up. He has a serious expression and his arms are outstretched, with his hands resting on a surface. His hands are covered in blood, which is dripping down. The background consists of horizontal stripes, resembling the American flag. A semi-transparent white box is centered over his chest, containing text.

**Legality is one of the most important principles
of public administration**

- separation of powers
- protection of the rights and liberties of man
- equality in the rights and obligations of all citizens

- political pluralism -
- free access to justice -
- independence of justice -

The principle of legality

The principle of legality also needed a constitutionalization

**Contemporary constitutions understood
and considered it in their texts**

A group of police officers in dark blue uniforms with red piping on their hats are holding their hats in a line. The background is blurred, showing more officers and a crowd. A semi-transparent white box with a red gradient background is overlaid in the center, containing the text "The principle of legality = social order".

The principle of legality = social order
