

Italia

And the most interesting facts

Italy is a country of cats

- 
- On the arms of the country it was possible to depict a cat, for it is this animal that is considered inviolable.

Try to touch this animal or kill - you have to pay a fine of ten thousand euros or go to jail for at least three years.

The Italian likes to have fun and eat

Wine for them is a necessary attribute of any dinner. Produce it began even before our era, and now a resident of the country drinks more than 20 liters of wine a year.
