

# FCE. PAPER 5. SPEAKING, PART 2: PHOTOGRAPHS (4 minutes)

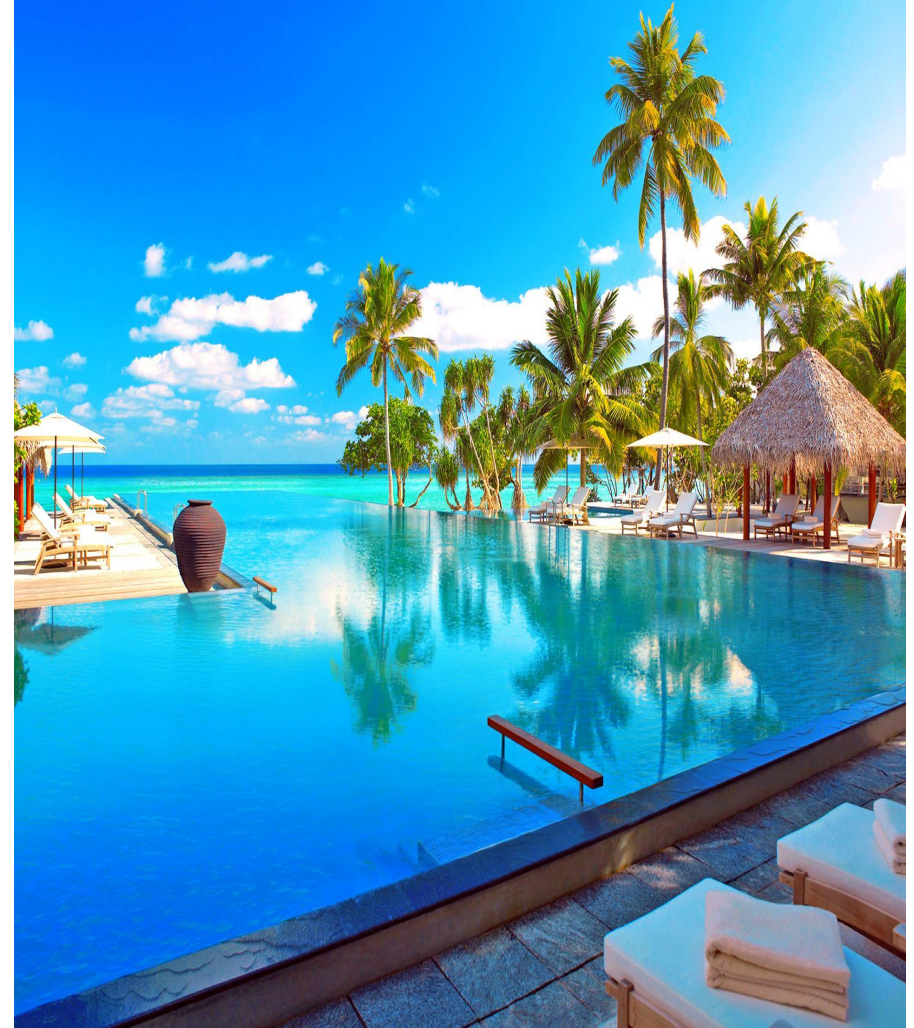

Why are the people looking at the maps?

Why are the people enjoying eating in these places?

What's your favourite place to go on holidays? In your opinion which of the two holidays would you never forget? Why?

What's the best city to visit? Why? Are they different cities?

How important can  
grandparents be in situations  
like these?

How do the people feel in these situations?

Whose rooms do you think these are?

What special skills do people need to do these different jobs?  
Which job should be the most well-paid?

What special skills do people need to do these different jobs?  
Which job should be the most well-paid?

## PART 3

**Travel Problems** (discuss and evaluate) - *Have a look at the picture which shows different problems people may have when they travel (go on holiday).*

**How serious are these problems for the people involved? / What can people do to avoid these problems?**

How easy or difficult might it be for the students to organise these events?  
Which event is likely to attract the largest number of people?

## SPEAKING, PART 3

A friend of yours wants to take up a new hobby, but she doesn't know what to do. Talk together about which hobbies she could take. Then, decide which is the most appropriate for her.

Why do the people need to concentrate on what they are doing ?  
Which activity is concentration most important for ?
