

ENGLISH GRAMMAR

Lesson 3

PAST CONTINUOUS TENSE

- The past continuous tense, also known as the past progressive tense, refers to a continuing action that was happening at some point in the past. The past continuous tense is formed by combining the past tense of to be (i.e., was/were) with the verb's present participle (-ing word).

The sun **was shining** every day that summer.

As I spoke, the children **were laughing** at my cleverness.

The Past Continuous	
Affirmative	Negative
<i>I was making a lot of noise</i> <i>They were shouting</i>	<i>I was not making a lot of noise</i> <i>They were not shouting</i>
Questions	Short answers
<i>Was she making a lot of noise?</i> <i>Were they shouting?</i>	<i>Yes, she was / No she wasn't</i> <i>Yes, they were / No, they weren't</i>

Explanation of the Past Continuous Tense

WHEN SHOULD WE USE THE PAST CONTINUOUS

1: An action in the past which overlaps another action or a time. The action in the past continuous starts before and often continues after the other shorter action or time.

- I was walking to the station when I met John. (I started walking before I met John, and maybe I continued afterwards.)
- At three o'clock, I was working. (I started before three o'clock and finished after three o'clock.)

2: In the same way, we can use the past continuous for the background of a story. (We often use the past simple for the actions.) This is really a specific example of Use 1.

- The birds were singing, the sun was shining and in the cafés people were laughing and chatting. Amy sat down and took out her phone.

3: Temporary habits or habits that happen more often than we expect in the past. We often use 'always, constantly' or 'forever' here. This is the same as the way we use the present continuous for habits, but the habit started and finished in the past. This thing doesn't happen now.

- He was always leaving the tap running.
- She was constantly singing.

4: To emphasise that something lasted for a while. This use is often optional and we usually use it with time expressions like 'all day' or 'all evening' or 'for hours'.

- I was working in the garden all day.
- He was reading all evening.

Remember you can't use this tense or any continuous tense with stative verbs.

Упражнение 1. Choose the correct verb form (Past Simple or Past Continuous) to complete the sentences.

1. The film was rubbish, so we left / were leaving the cinema and went / were going to the cybercafé.
2. I didn't like / wasn't liking the program we watched / were watching, so I turned / was turning off the TV.
3. Dave rang / was ringing me while I did / was doing my homework.
