Capitale de Biélorussie

Minsk a l'étoile d'or de
l'URSS et l'Ordre de
Lénine

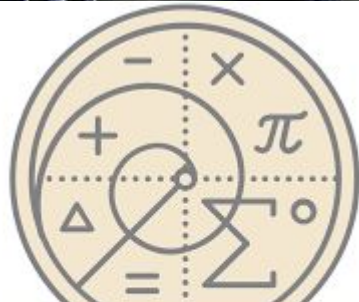

An aerial photograph of a city and its surrounding landscape. The city is visible in the center, with a grid-like street pattern and a central area that appears to be a park or a large open space. The surrounding landscape is a mix of green fields and brownish-red areas, possibly indicating different types of vegetation or soil. A large, dark, irregularly shaped area in the upper left quadrant suggests a large body of water or a wetland. The text is overlaid on the right side of the image.
