

SCIENCE AND TECHNOLOGY — НАУКА И ТЕХНОЛОГИЯ

Accidental Inventions — Случайные изобретения

How are you today? What date
is it today?
What day is it today?
What is the weather like today?

*Whether the weather is fine,
Or whether the weather is not,
Whether the weather is cold,
Or whether the weather is hot.
We'll weather the weather
Whatever the weather,
Whether we like it or not.*

Ex. 10 Complete the advertisement with the correct forms of the verbs in brackets. —

Дополните рекламу правильными формами глаголов в скобках.

- ▶ Does your dog or cat hate 1) wash?
Did you know that you are more likely 2) injure while trying to wash a pet than during any other household activity?
If you answered 'yes' and 'no' to these questions, you need our remarkable Pet Cleaner. We know that it's horrible 3) soak in water or 4) cover in scratches.
When using our bath the pet 5) not need hold at all because its body is completely enclosed in the box. However, the animal's head 6) must not put inside the bath, or it may panic.
We also recommend that the pet 7) should keep in the box for at least fifteen minutes after 8) rinse, so that it calms down and you avoid 9) attack when it comes out.
A further advantage of the Pet Cleaner is that it 10) can use as a carrier for your pet when you are travelling.
