<http://www.onlinecharttool.com/>

The screenshot shows a web browser window with the URL www.onlinecharttool.com. The browser's address bar and search bar are visible. The website's main content area features a large 3D pie chart with five segments in red, green, blue, orange, and yellow. To the right of the pie chart is the heading "Chart Tool" and a paragraph of text: "Charts are a great tool for communicating information visually. On Onlinecharttool.com you can design and share your own charts online and for free. We support a number of different chart types like: bar charts, pie charts, line charts, bubble charts and radar plots." Below this text is a blue button labeled "Design your chart »".

Below the main content is a horizontal row of ten small icons representing different chart types: Bar, Line, Area, Pie, XY, Radar, Scatter, Bubble, Polar Bubble, Meter, BarLine, and Pyramid. Each icon is accompanied by its respective label.

Underneath the icons is the section "Chart examples", which contains three preview windows. The first window, titled "Car sales Netherlands (1967-2007)", displays a line chart showing sales trends over time. The second window, titled "Unemployment Netherlands 2001-2007", shows a horizontal bar chart with red and green bars representing different categories. The third window, titled "Dutch Elections 2006", displays a 3D pie chart with multiple segments representing different political parties.
