Airport Changi

Airport Changi

Information:

- THE BEST SIGHTS ARE MOSTLY CONCENTRATED IN THE CAPITAL OF SINGAPORE AND ITS SURROUNDING SURROUNDINGS, AND IF YOU CHOOSE WHAT TO SEE IN SINGAPORE IN ONE DAY, THE FIRST THING TO DO IS GO TO ITS CAPITAL. THUS, 20 KILOMETRES FROM THE CAPITAL CITY OF SINGAPORE, CHANGI AIRPORT IS THE WORLD-FAMOUS AIRPORT. EVERY YEAR, CHANGI PASSES THROUGH A HUGE NUMBER OF PASSENGERS - MORE THAN 50 MILLION, HAS A MODERN INFRASTRUCTURE DESIGNED TO DETAIL, AND INCLUDES FOUR LARGE TERMINALS. VISITORS CELEBRATE A WELL-COORDINATED AND PRECISE, AS CLOCKWORK, STAFF WORK, THE HIGHEST LEVEL OF SERVICE, A LARGE NUMBER OF SHOPS, RESTAURANTS, AND SPA FACILITIES, CINEMAS, MUSEUMS AND CATERING ESTABLISHMENTS ON THE GROUNDS OF THE AIRPORT.

Hotel Marina Bay Sands

Hotel Marina Bay Sands

Information:

- The trip to Singapore must necessarily include a visit to the famous Marina Bay Sands hotel if you are looking for something to see in Singapore to get the best impressions. Apart from the hotel rooms themselves, there is everything to spend useful time: casino, conference halls, skylight bar with an incredible city view, luxurious swimming pool, huge shopping mall. The building has a unique design - three high-rise towers are united by a single roof-platform in the form of a large ship.

Gardens by the Bay

Gardens by the Bay

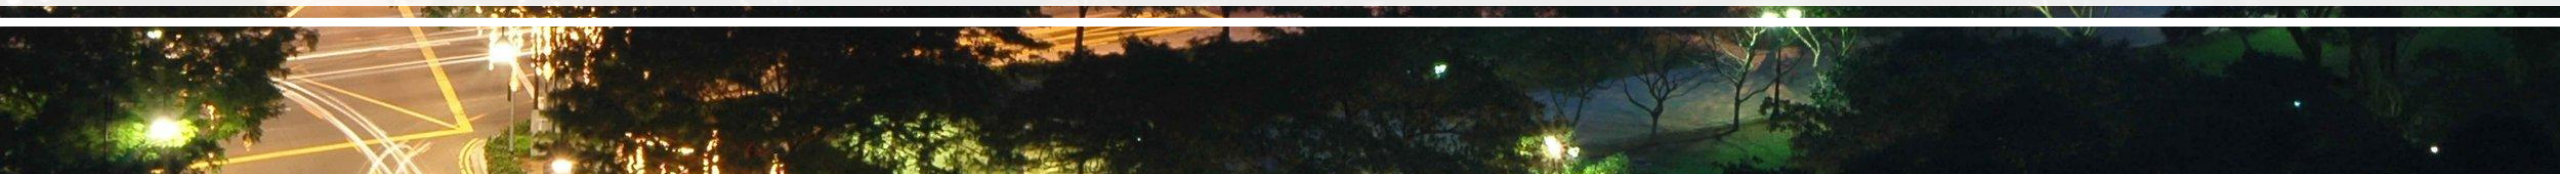

Gardens by the Bay

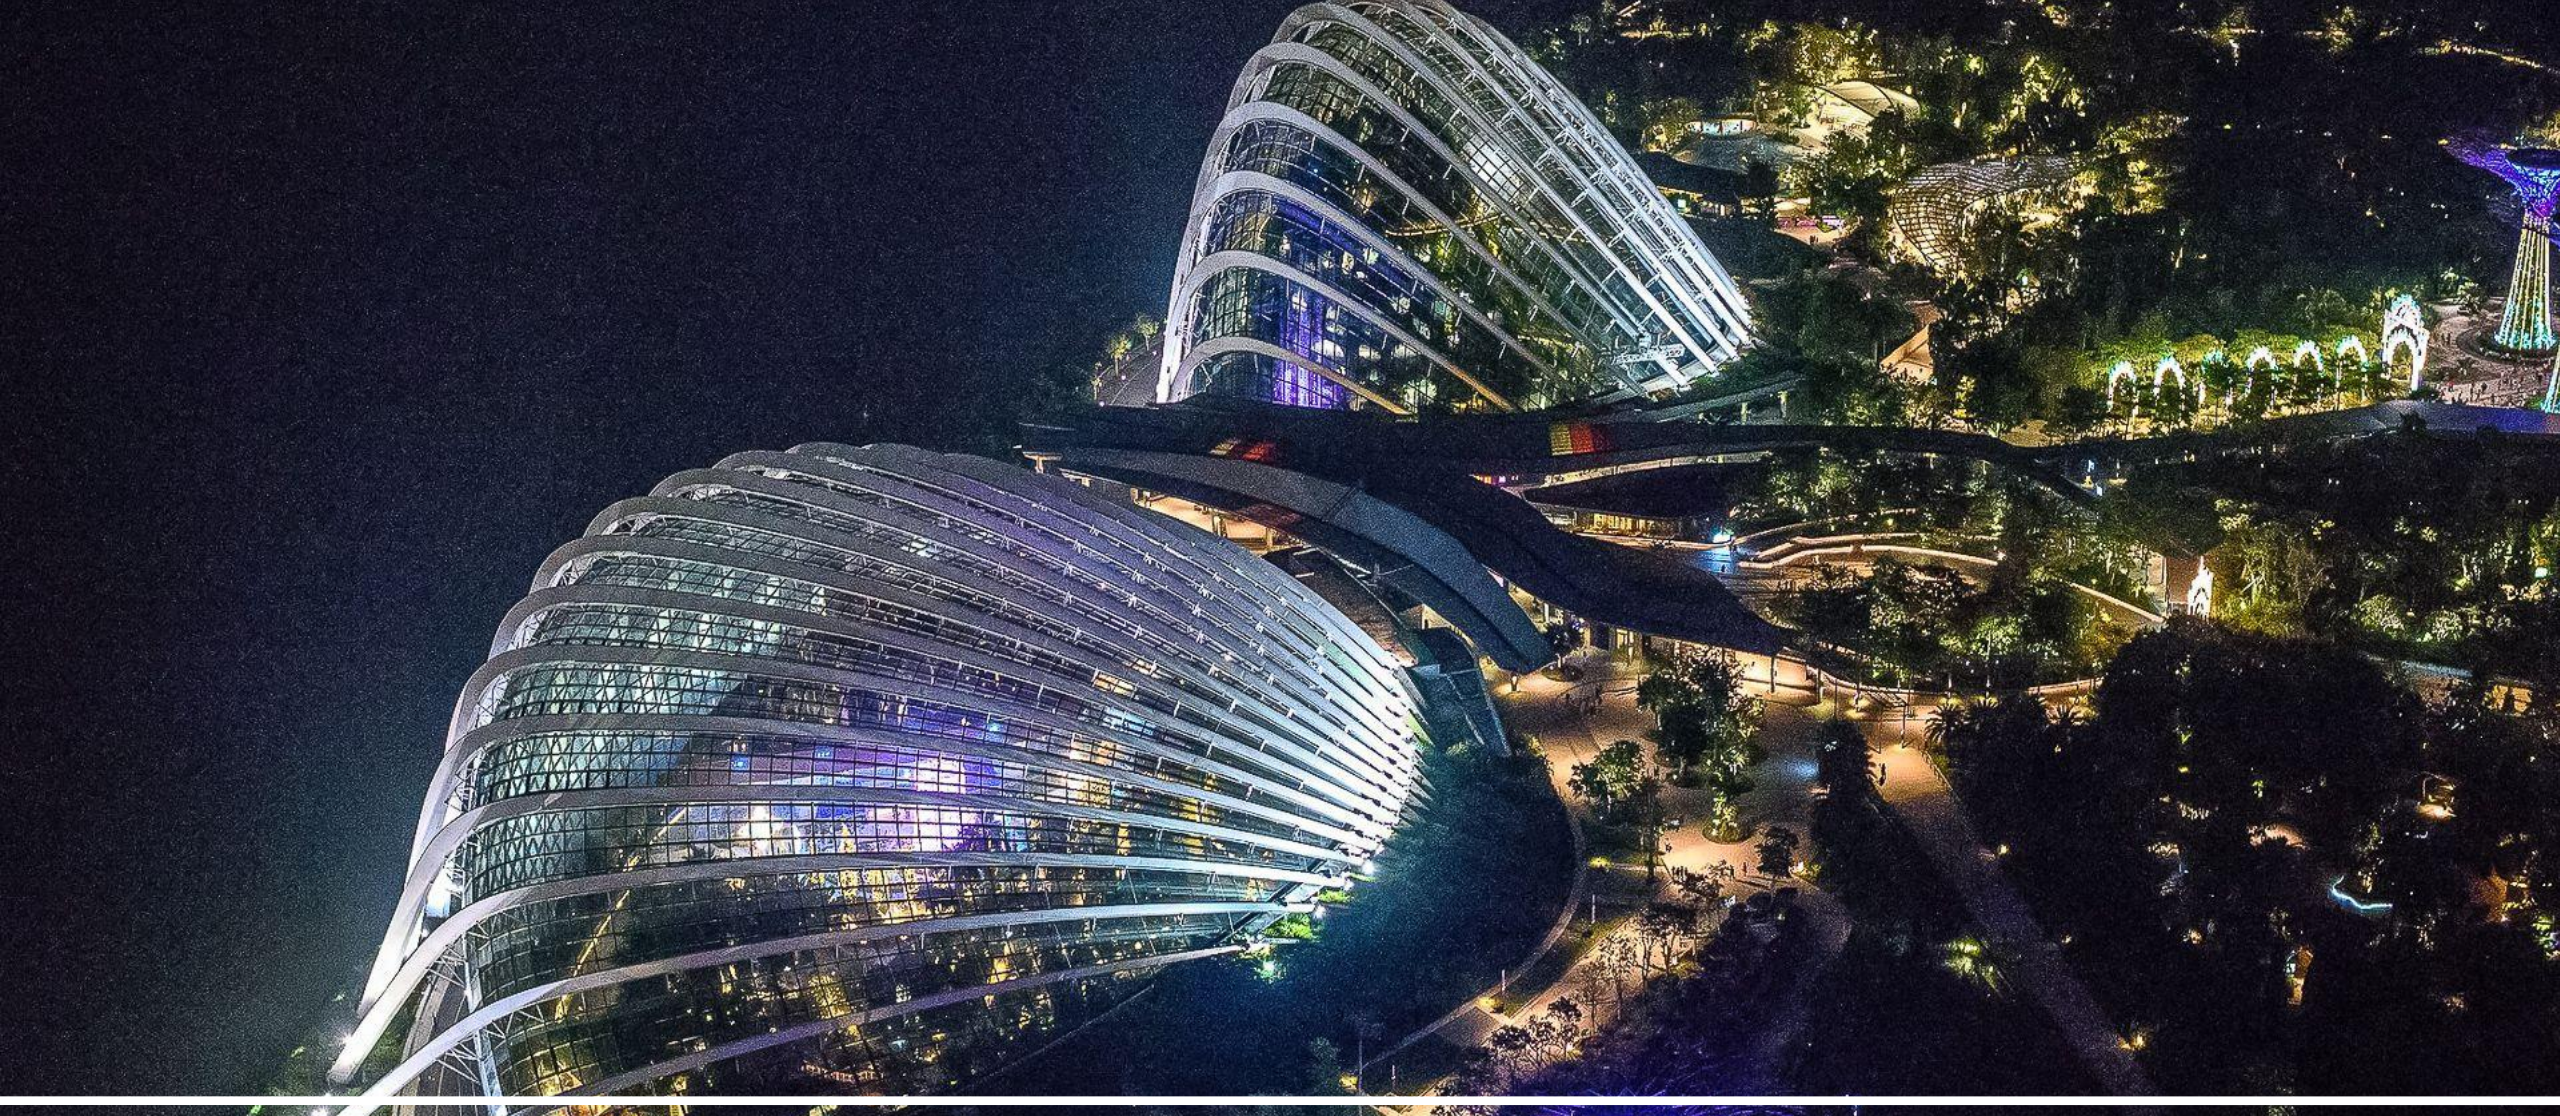

Information

- The Bay Futuristic Gardens are one of the major attractions and constitute an area of vegetation covering 101 hectares of land. There are three gardens, South, East and Central, devoted to vegetation in South America, Africa and Asia. Among the interesting places of the park are two huge greenhouse greenhouses, groves of giant futuristic super-trees, a restaurant and a bar on top of one such tree, a large entertainment area for children, a greenhouse with cactuses and much more.

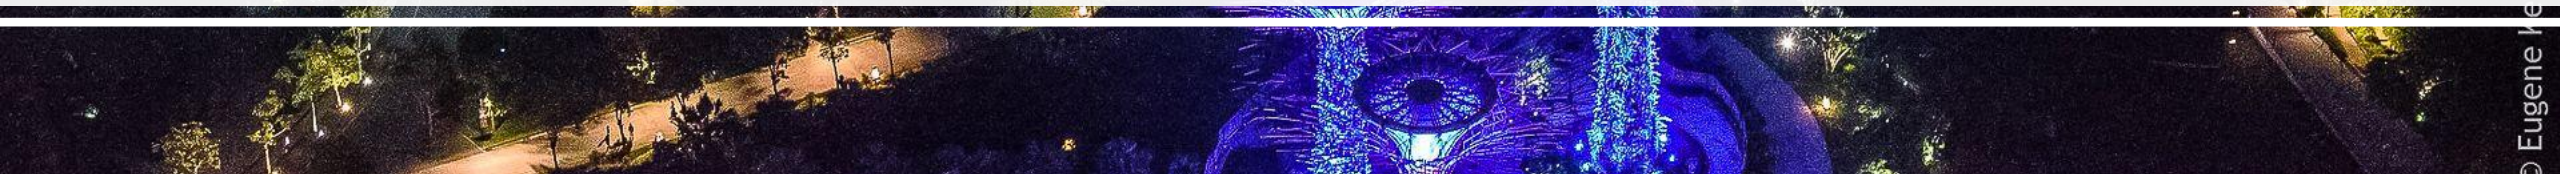

Esplanade theatre

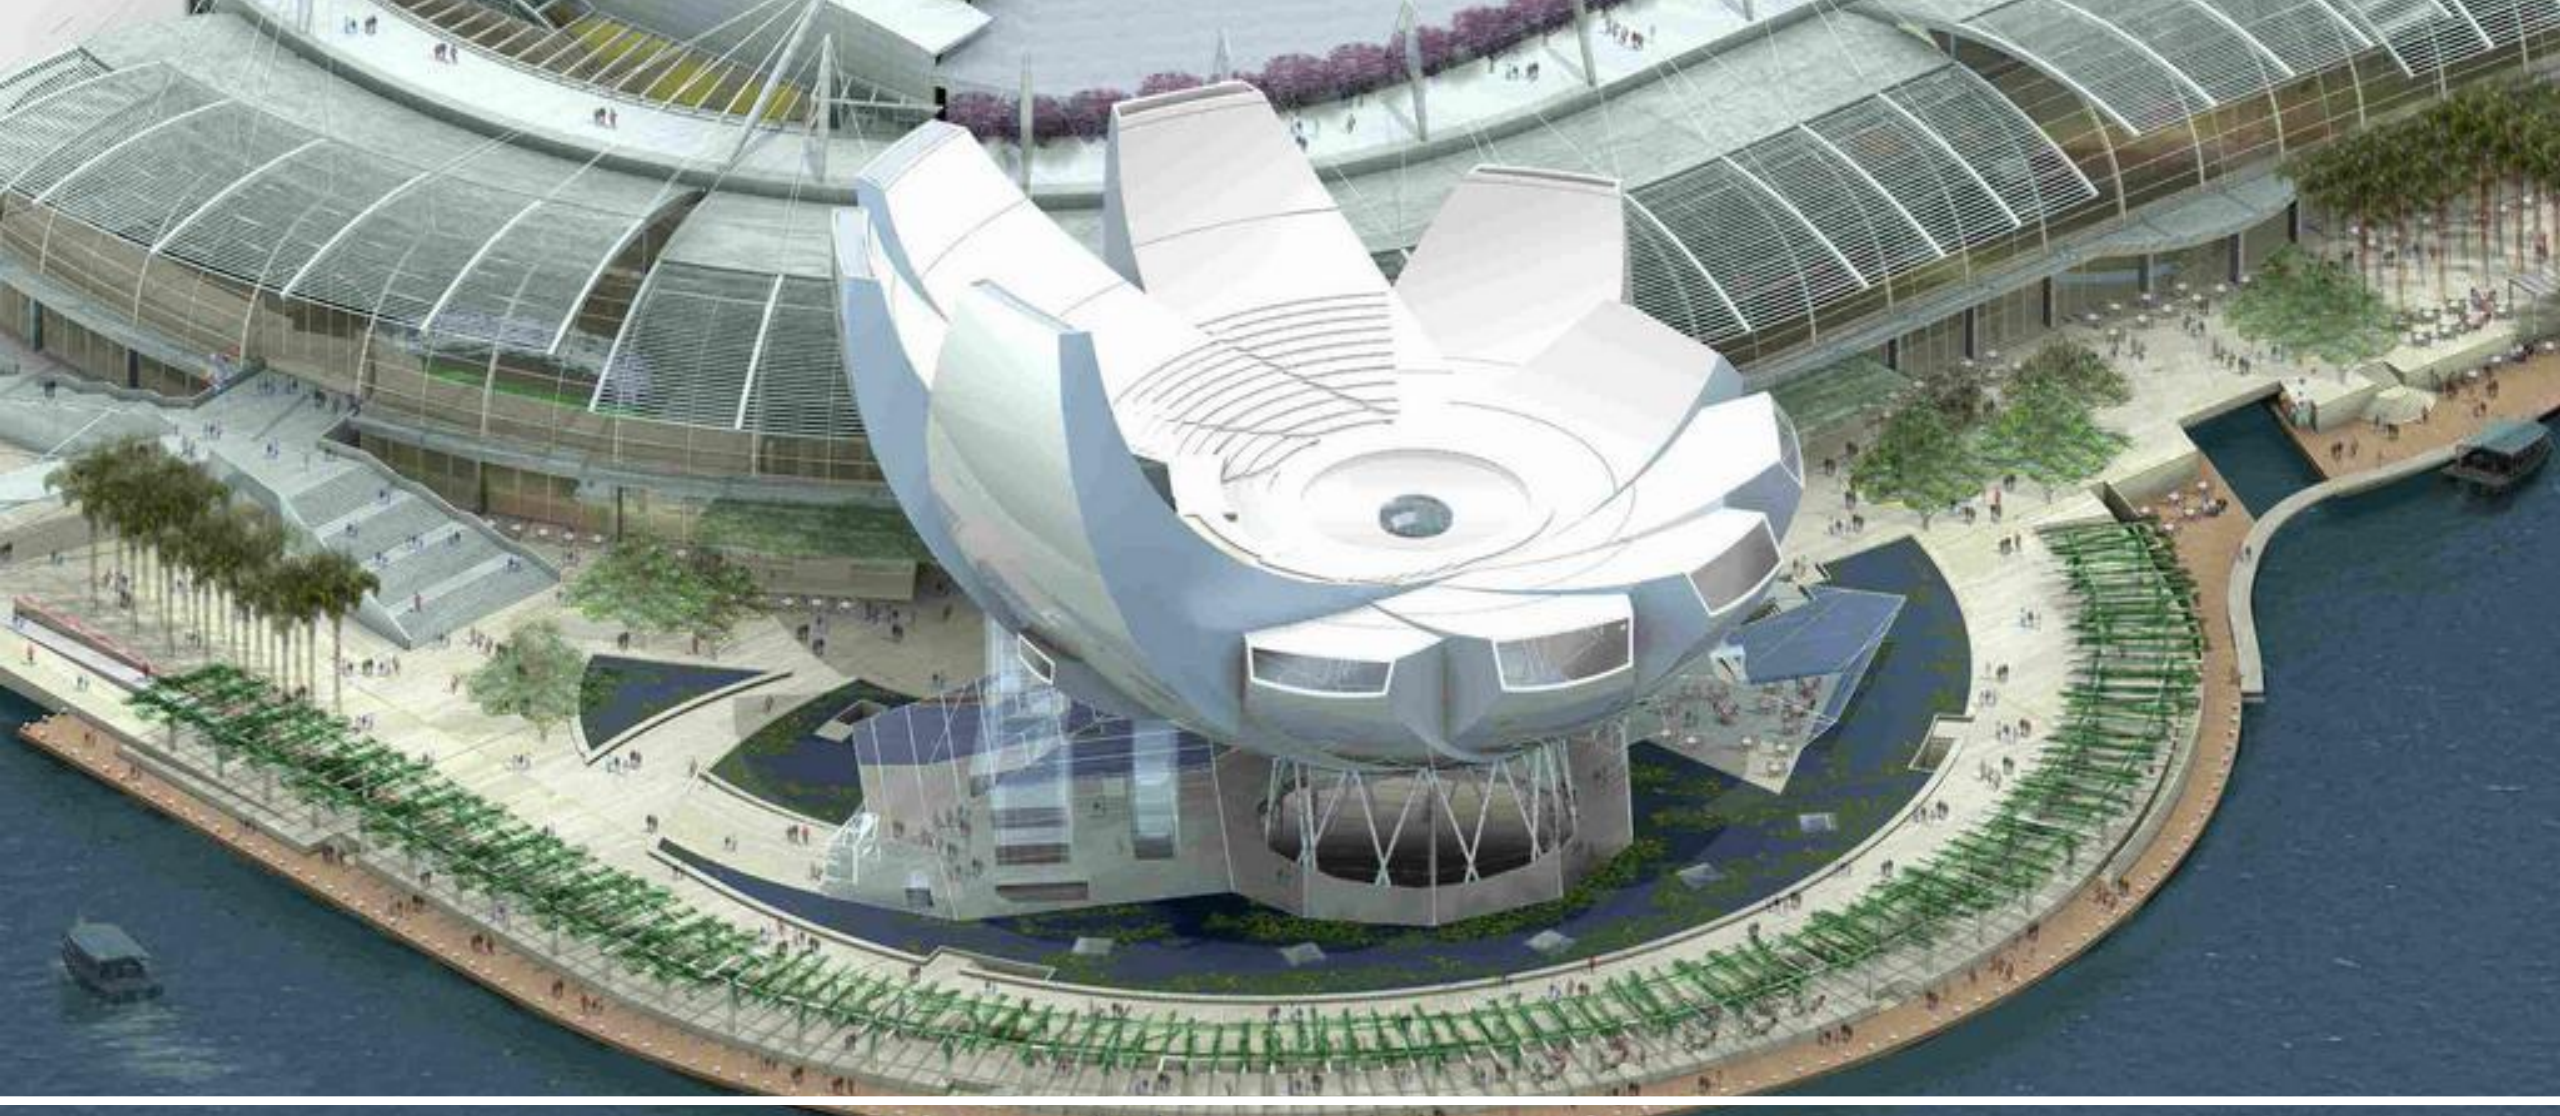

Esplanade theatre

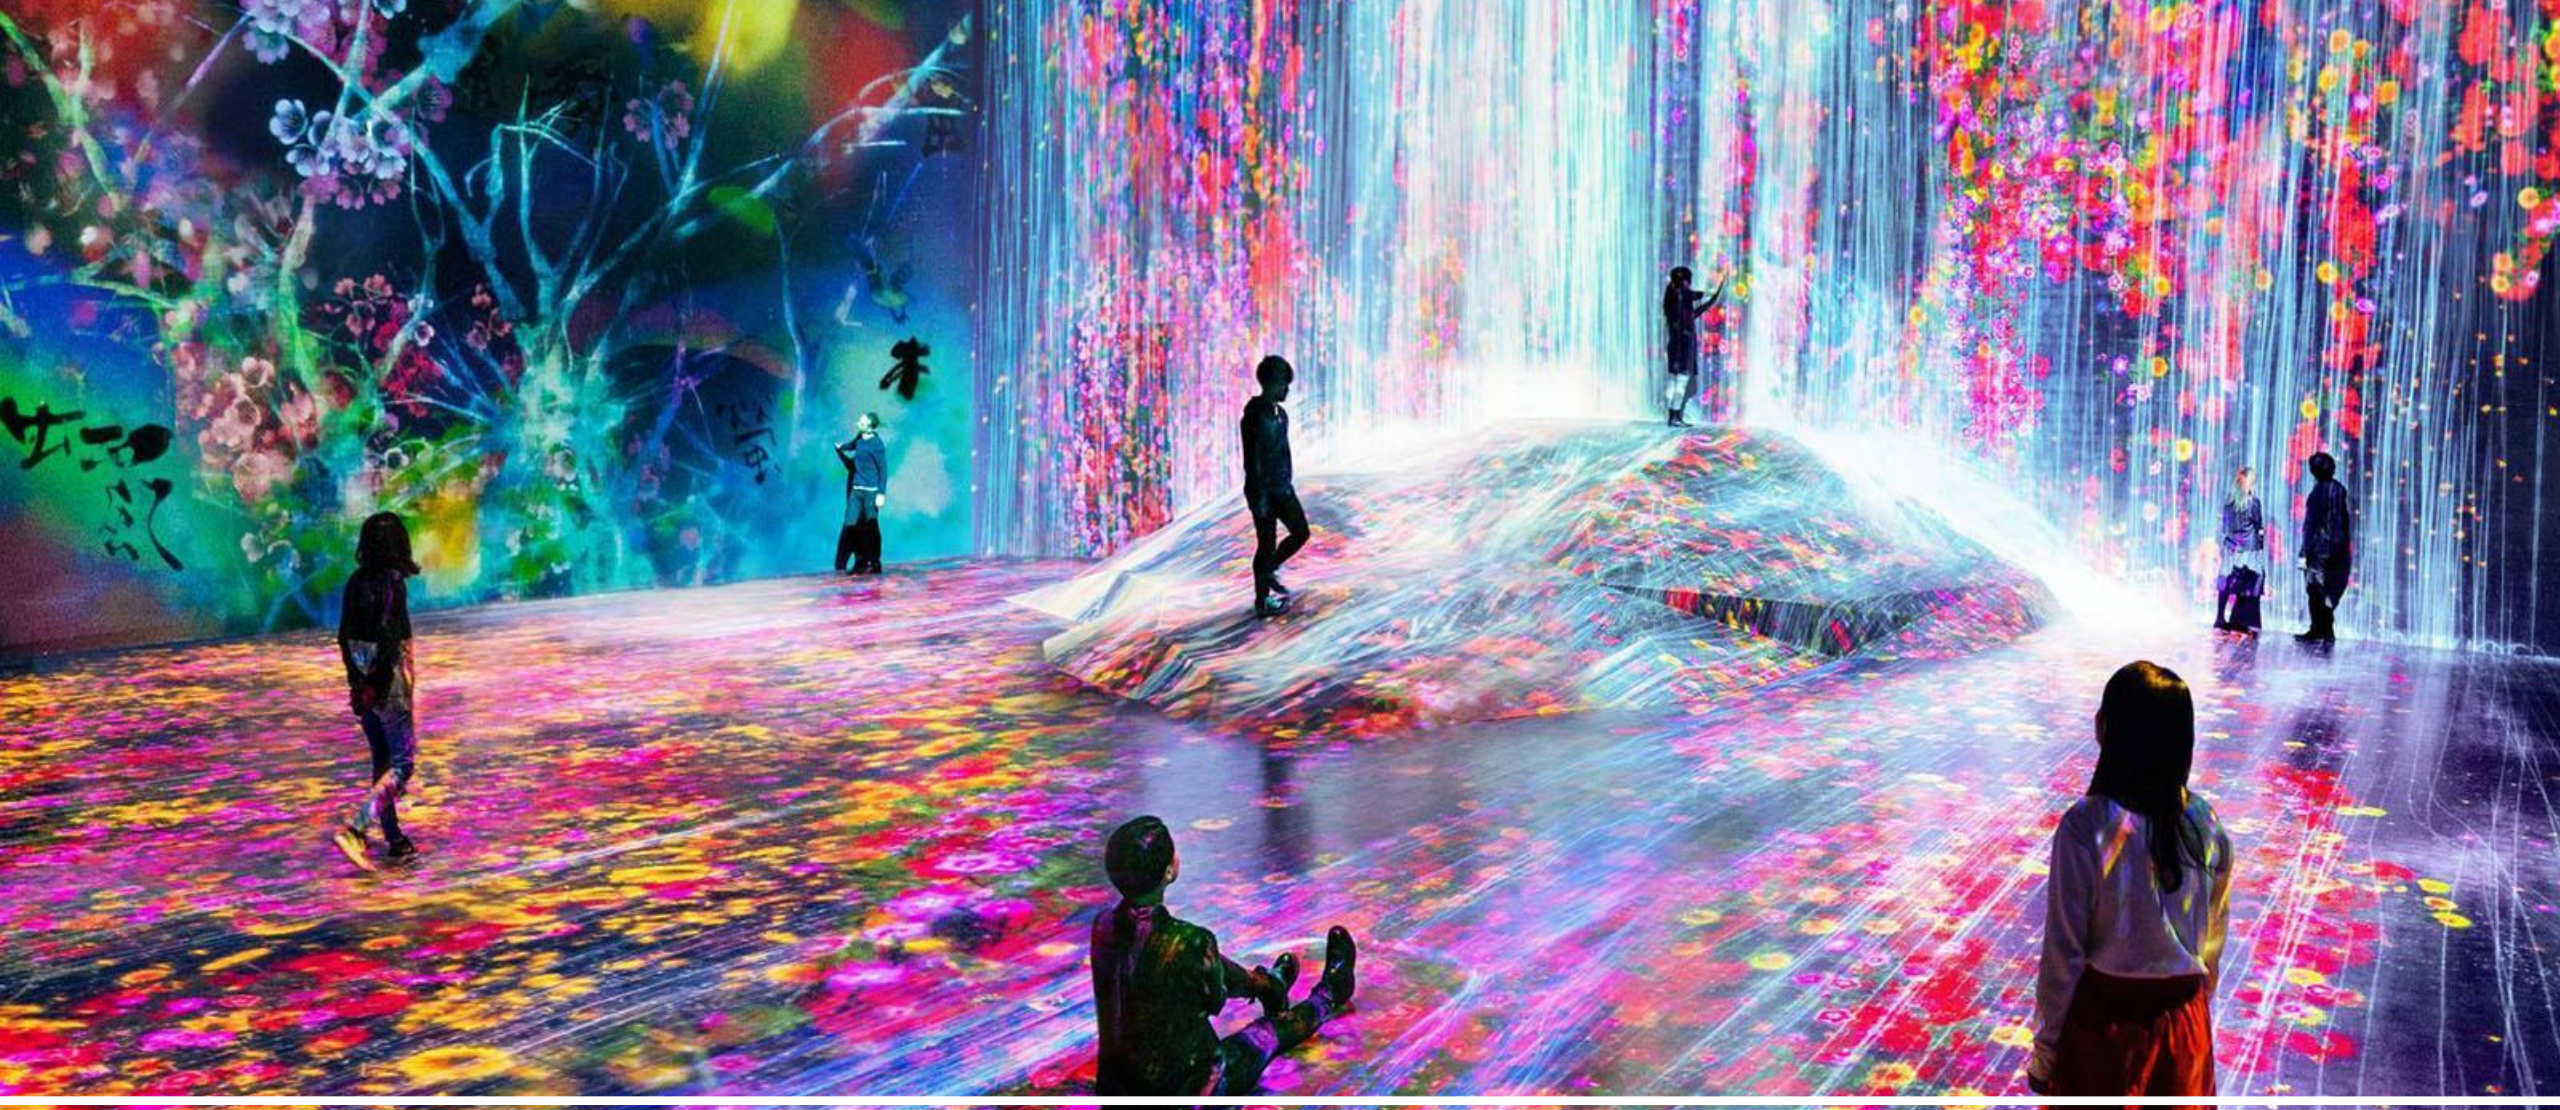

Information:

The promenade of the famous Marina Bay features Singapore's cultural attraction, the Esplanade Theatre, which is a theatre and exhibition complex in the Art Nouveau style. It is a huge architectural complex with an area of about 60,000 sq. m, which includes 2 halls - concert for 1600 places, as well as a theatre for 2000 places. Famous music groups, symphony orchestras, classical dance and opera performances are organized here.

Artscience museum

Artscience museum

Information:

- What would art fans like to see in Singapore besides the famous theatre? Another institution with a world reputation is the Singapore Museum of Art and Science. Here, in turn, the emphasis is on the interaction of science and art and their harmonious interaction. Total museum on 6,000 sq.m. It holds 21 galleries with major exhibitions, the most famous of which were dedicated to the crash of the Titanic, the works of Salvador Dali, and the cinema of Harry Potter.

Songs of the Sea

Songs of the Sea

Songs of the Sea

Information:

- Songs of the sea are incredible in beauty light show with music, with fireworks and water jets. During the show, a story is told about a young man who loves a sea-going sleeping beauty. But the plot is not as important as the spectacle itself, which is a combination of extraordinary special effects: different images are projected on the water stream screen, all accompanied by a real spectacle of light and sound, The fireworks explode, an extraordinary laser light turns on.
