ПРИРОДЕ**

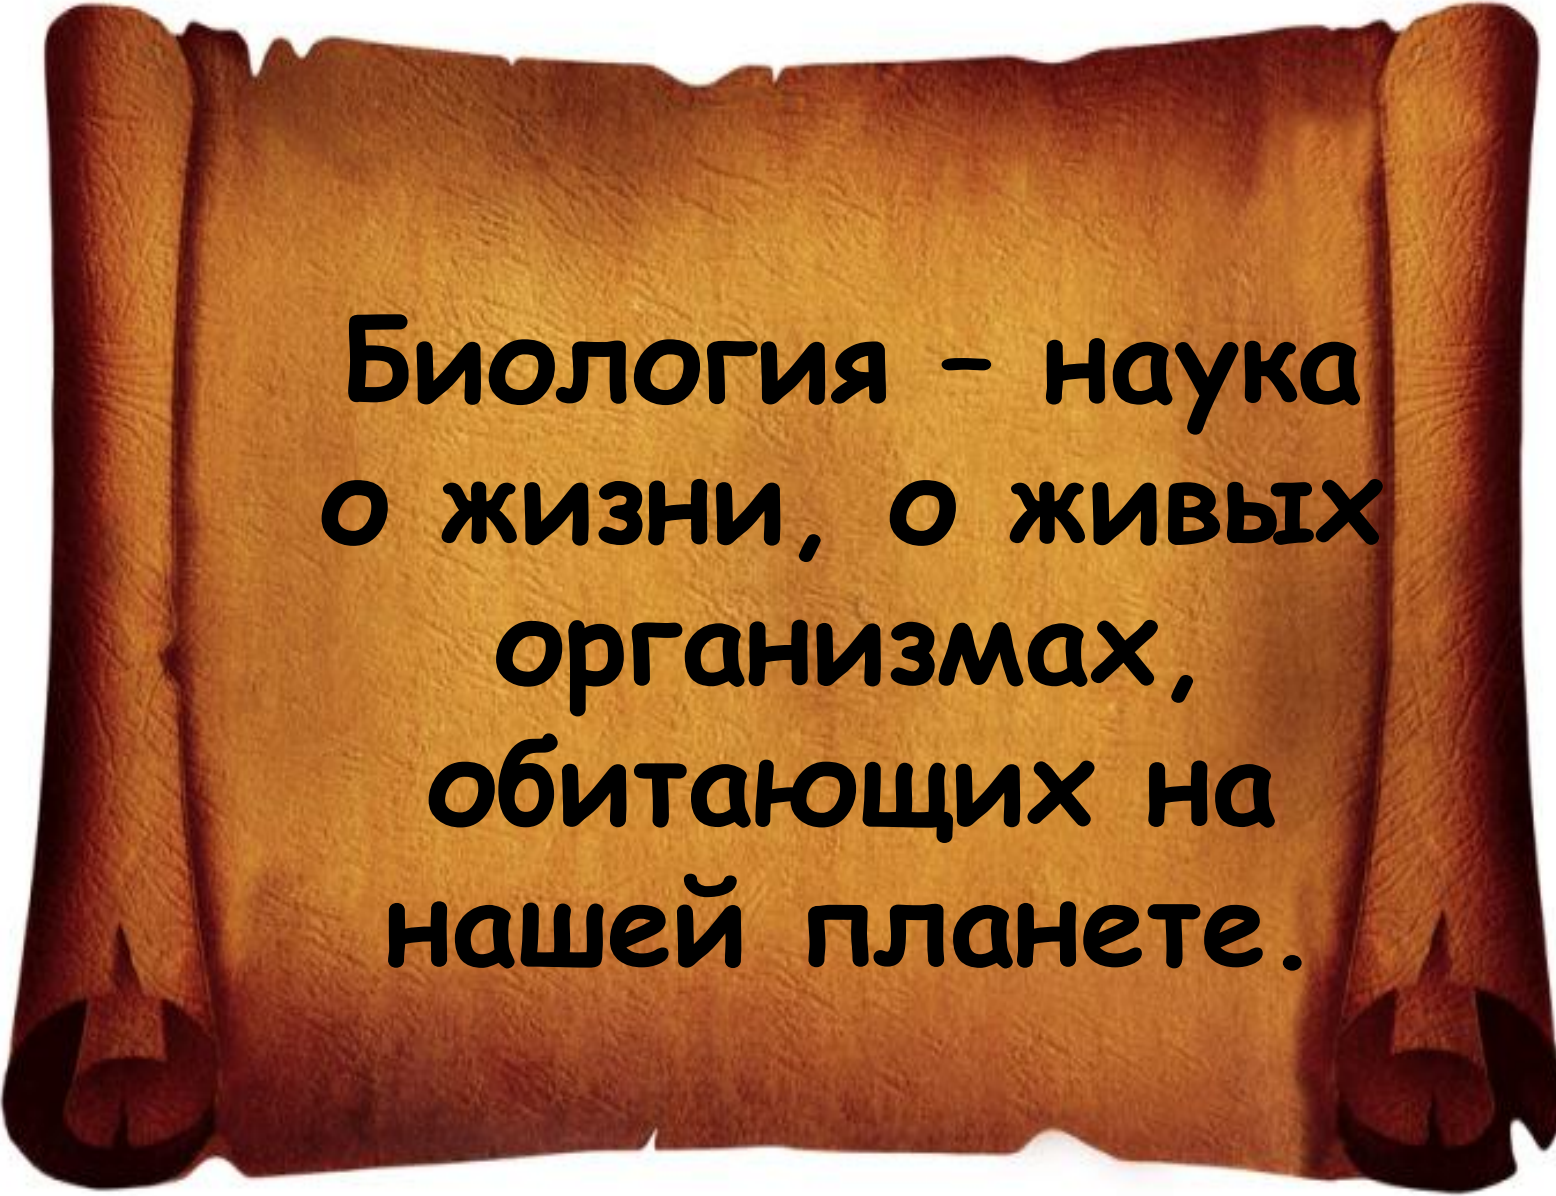

**3,5 млн
ВИДОВ**

Биология
«биос» - жизнь, «логос» -
наука

A scroll of aged parchment with a textured, yellowish-brown surface. The scroll is unrolled, showing the text in the center. The edges are slightly frayed and the scroll is held together by dark, circular fasteners at the bottom corners.

**Биология - наука
о жизни, о живых
организмах,
обитающих на
нашей планете.**

ГИДРОСФЕРА

ЛИТОСФЕРА

A cartoon illustration of a man in a grey suit and a bright pink tie, pointing his right hand towards a scroll. The scroll is held open by a hand at the top, and it contains text and an image.

**Озоновый экран - тонкий
слой газа озона на высоте
15-20 км**

АТМОСФЕРА

A cartoon illustration of a man in a grey suit and pink tie, pointing with his right hand towards a scroll. The scroll is held open by a hand at the top, and it contains text and a circular image.

*В океане живые организмы
живут на глубине 10-11 км*

ГИДРОСФЕРА

ГИДРОСФЕРА

10-11 км

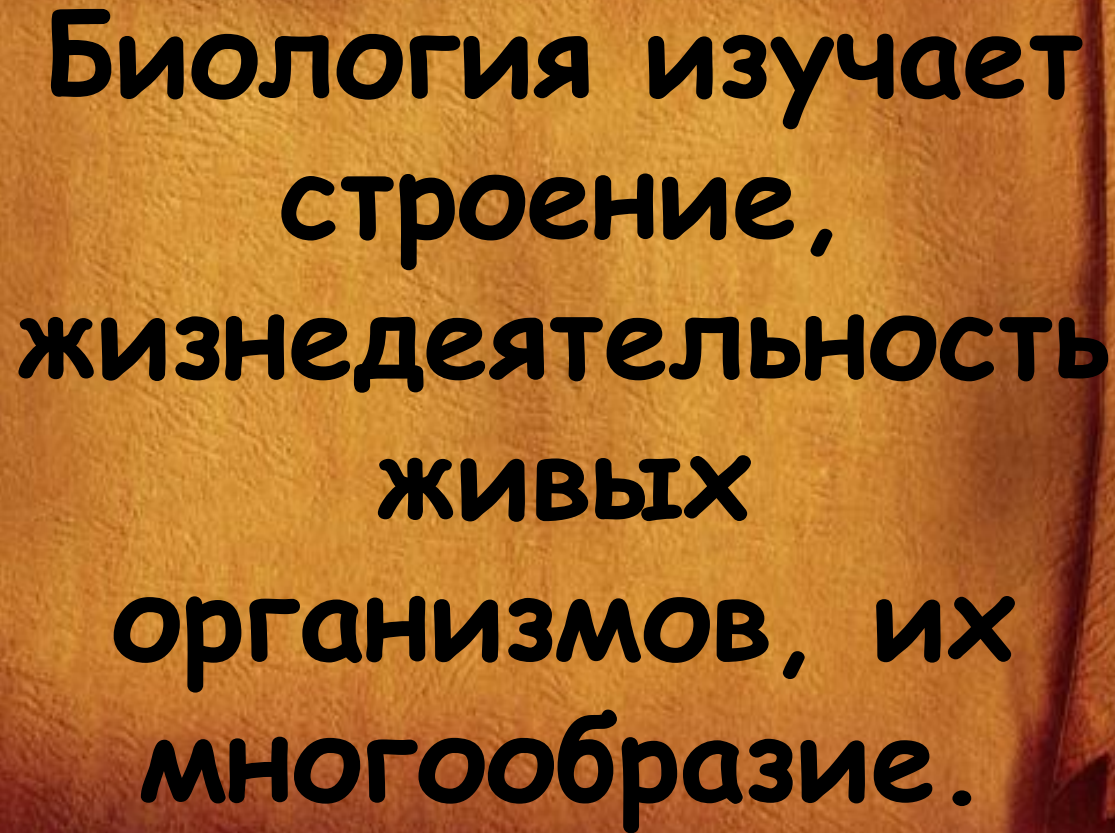

A cartoon illustration of a man in a grey suit and a bright pink tie, pointing his right hand towards a scroll that contains text and an image. The scroll is held by a hand at the top, with the index finger pointing to the text.

*В литосфере жизнь
(бактерии) - 3 и более км*

ЛИТОСФЕРА

A scroll of aged parchment with a textured, yellowish-brown surface. The scroll is unrolled, showing a central rectangular area with text. The edges of the scroll are slightly darker and show the texture of the binding. The text is written in a bold, black, sans-serif font, centered on the page.

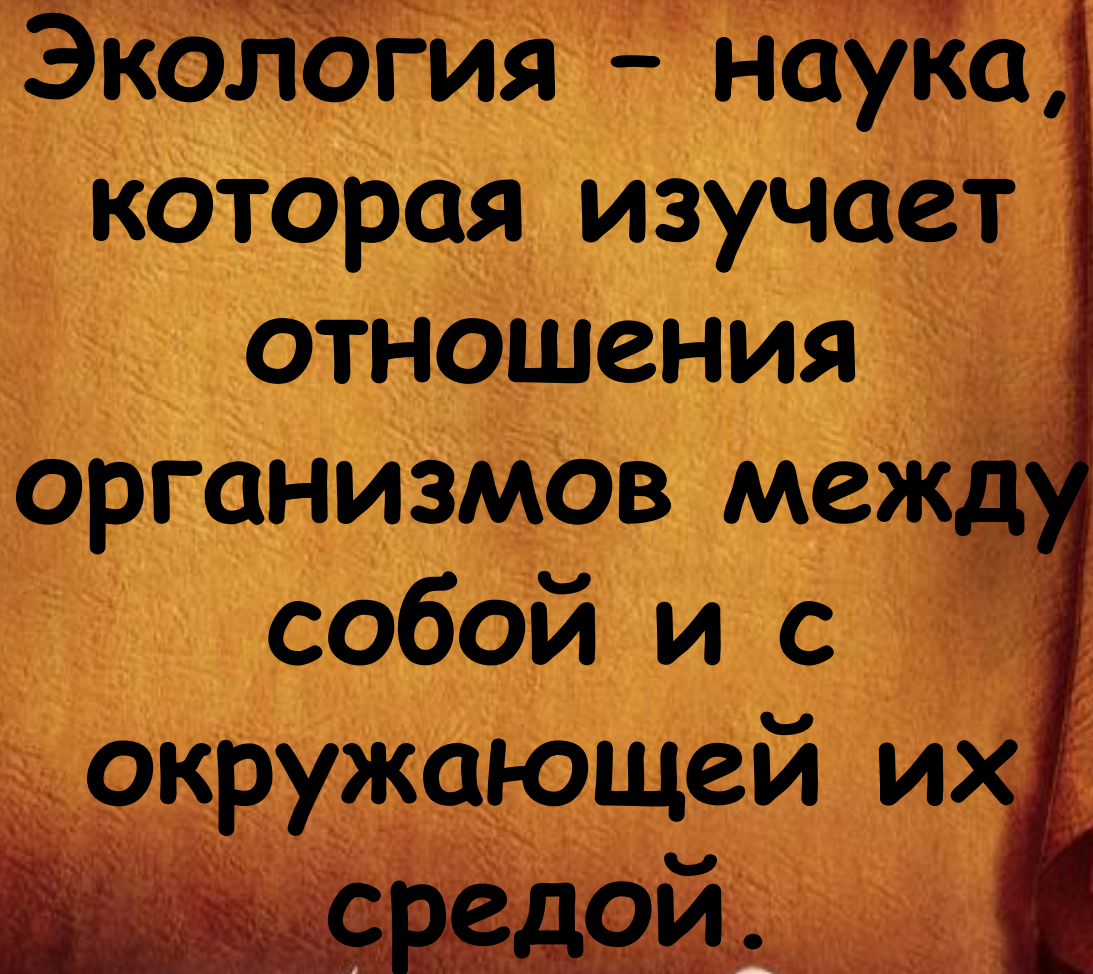

**Биология изучает
строение,
жизнедеятельность
ЖИВЫХ
организмов, их
многообразие.**

**Живые организмы влияют
на окружающую среду, а
их существование зависит
от условий этой среды**

**Экология
«ойкос» - дом, жилище,
родина,
«логос» - наука**

A scroll of aged, yellowish-brown parchment with dark brown leather-like binding on the left and right sides. The text is written in a bold, black, sans-serif font, centered on the scroll. The scroll is slightly unrolled, showing the texture of the parchment and the binding.

**Экология - наука,
которая изучает
отношения
организмов между
собой и с
окружающей их
средой.**
