*The big **cake** was **baked** by Sam.*

- когда исполнитель действия очевиден или несуществен
- когда действие или его результат более интересны, чем исполнитель.

1) Непереходные глаголы, т.к. при них нет прямых дополнений, которые могли бы стать подлежащими при глаголе в форме Passive.

Переходными в англ. языке называются глаголы, после которых в действительном залоге следует прямое дополнение; в русском языке это дополнение, отвечающее на вопросы винительного падежа – кого? что?: to build *строить*, to see *видеть*, to take *брать*, to open *открывать* и т.п.

Непереходными глаголами называются такие глаголы, которые не требуют после себя прямого дополнения: *to live жить, to come приходить, to fly летать, cry плакать* и др.

2) Глаголы-связки: **be** – *быть*, **become** – *становиться/стать*.

3) Модальные глаголы.

to fit годиться, быть
впору

to have *ИМЕТЬ*

to lack не хватать,
недоста́вать

to like *нравиться*

to resemble *напомяинать, быть ПОХОЖИМ*

to suit *годиться, подходить*

[illegible]

The doctor was sent **for**.
This film is much spoken **about**.

Глаголы to read, to sell, to wash, to clean, to peel, to crease, to break, to deform, to wear, to burn употребляются в форме активного залога, хотя и имеют пассивное значение.

This dress washes and wears well and doesn't crease.

Love stories sell well. Dry leaves burn well.

Такие глаголы, как: to have, to chance, to happen, to seem, to appear, to lack, to become, to fit, to suit, to resemble не употребляются в пассивном залоге, так как они обозначают не действие (или процесс), а состояние лица или предмета.

John resembles his father.

He has become a real professional.

С пассивными конструкциями часто употребляются предлоги of, from, with, by.

I was interrupted by a loud knock on the door.

My country house is made of wood. This pie is made from eggs, milk and flour.

He was shot with a gun.
