A close-up photograph of green wooden pieces, possibly from a board game, and a stack of coins on a wooden surface. The word "Discover" is overlaid in white serif font on the left side of the image.

# Discover

A close-up photograph of a board game board. In the foreground, there are several green wooden pieces, some of which are shaped like stylized figures or trees. To the right, there is a stack of three coins, one gold and two silver. The background is blurred, showing more of the board and some other game components.

WHEN YOU PLAY YOU WIN

The background is a vibrant yellow color. It is decorated with various white and yellow geometric shapes, including circles, ovals, and elongated rounded rectangles. Some of these shapes are solid, while others are hollow. There are also several thin, wavy white lines scattered across the composition, adding a sense of movement and playfulness. The overall aesthetic is clean, modern, and cheerful.
