- Now let's play a game! Divide pupils into two teams. Show them a picture. They have to write down the feeling or emotion on the blackboard. That team that will tell the word correctly will get one point.

LET'S GO!!!

LET'S SPEAK!

- How do you feel yourself today?
- What makes you happy/sad?
- If you are hungry what do you like to eat most of all?
- What is your favorite drink?
- Have you ever been in love?

THANK YOU, DEAR!

DON'T WORRY,
BE HAPPY!
