

something (лучше  
убрать) about  
myself

Umnikova Darya

- I entered National University of Science and Technology "MISIS" on a speciality «Business informatics» in 2011 and **finished (graduated)** in 2015.
- I am an engineer-programmer in National University of Science and Technology "MISIS"

# Why?

- In order to become a successful person, and achieve career success you need to pass **through** (добавить) all the levels of education in our country. So I decided to enter the master's degree **in** (at) National University of Science and Technology "MISIS"

# What

- After graduating the master's degree I'm planning(add) to get a prestigious job with high wages and career opportunities, and I of course hope that it will be international company , because in our university the level of teaching(лучше убрать) English is very high

# HOW

- In order to get a prestigious job I'm going to attend courses for the development in the IT sector and to improve the level of English, as well as attend various job fairs.
