

three of the most tasteless dress of celebrities

It would seem that people who are attracted to the attention of the media and fans every hour should look great

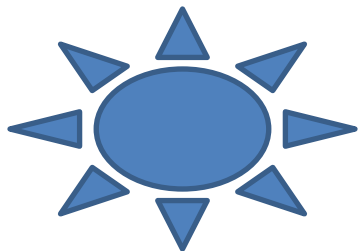

But no.

What is it: an unsuccessful provocation or a natural lack of taste - one can only guess.

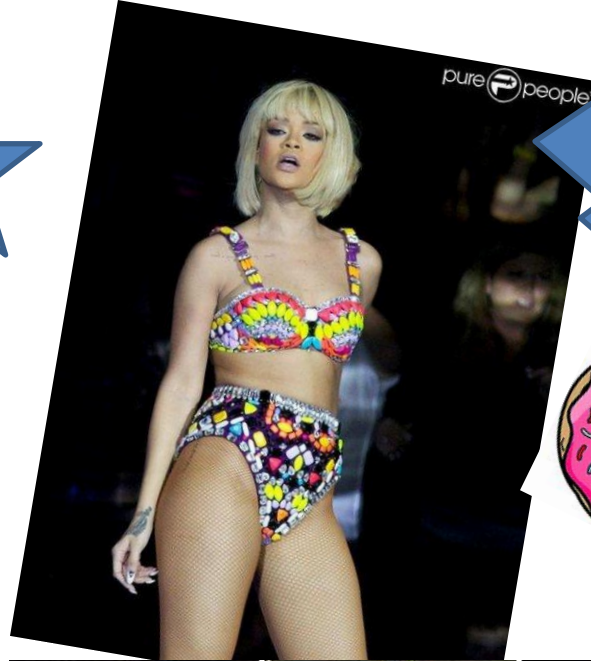

Christina Aguilera
Vocal talent of Aguilera
can only be envied ... But
the ability to choose
makeup and clothes, not
so

It remains unclear why
for so many years on the
world stage no one has
told Christina that
"something is wrong."

Rihanna

Deny that this singer is beautiful and sexy, will be unless only blind. However, the hot Latin American temperament of Rihanna plays a bad joke with her when it comes to choosing stage dresses.

MG

Kathy Perry

A beautiful singer with a memorable timbre and songs that regularly become hits, why are you doing this to yourself?

The question goes nowhere. Probably, Cathy feels organic in such images, however from this they do not become more understandable to the viewer.
