

There are no strangers here; Only
friends you haven't yet met.

William Butler Yeats

An aerial photograph of a tropical ocean with several small, green, heart-shaped islands. The water is a deep blue, and the islands are surrounded by shallow, turquoise-colored reefs. The largest island in the foreground is heart-shaped and covered in dense green vegetation, with a white sandy beach visible along its edges. Other smaller, similar islands are scattered in the background.

**Love is the only force capable of
transforming an enemy into friend.**

Martin Luther King, Jr.

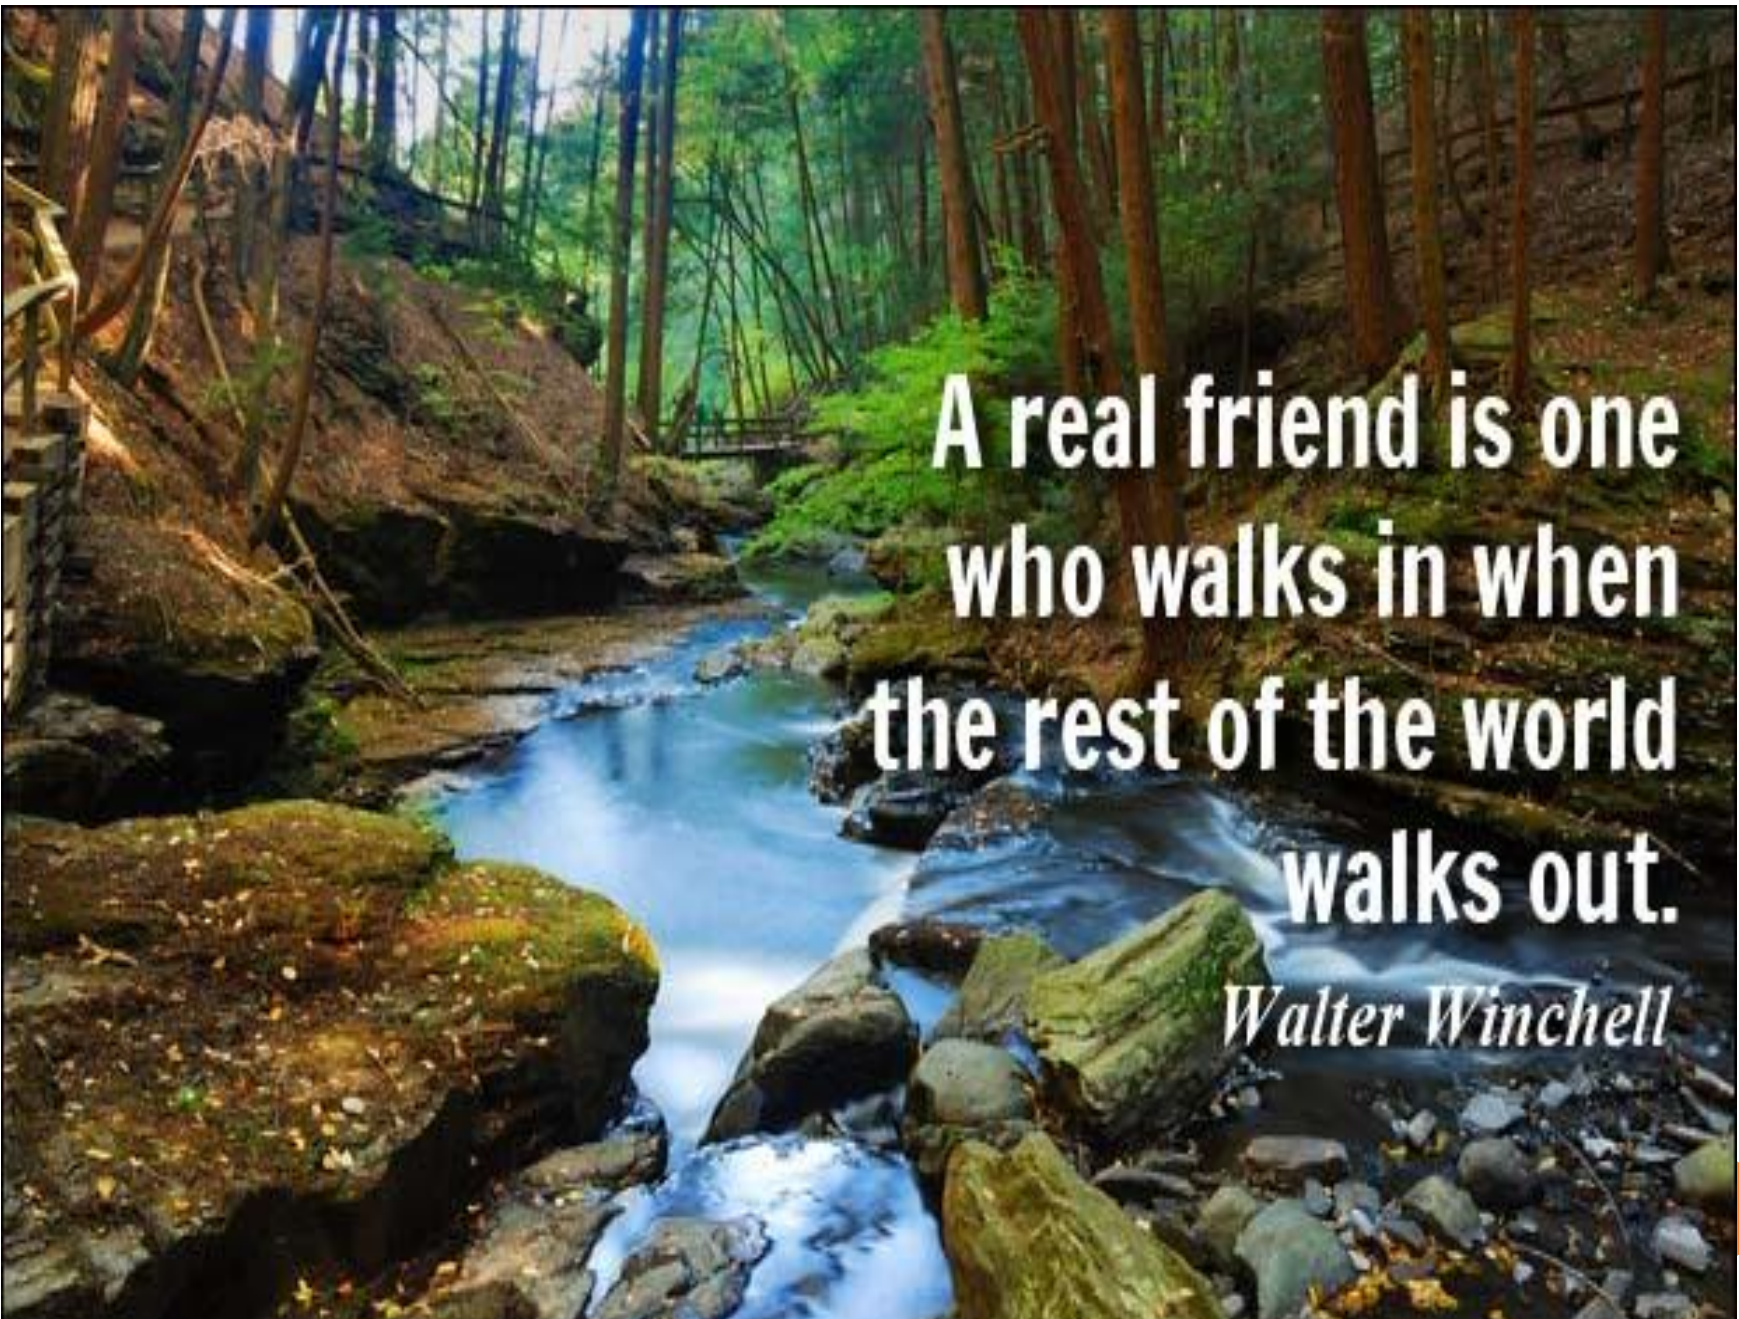

One of the most
beautiful qualities
of true friendship
is to understand and
to be understood.

Lucius Annaeus Seneca

**A friend is what the
heart needs all
the time.**

Henry Van Dyke

A photograph of a forest stream flowing over mossy rocks. The water is clear and blue, cascading over large, dark, moss-covered boulders. The surrounding forest is dense with tall, thin trees and lush green foliage. The scene is peaceful and serene, with sunlight filtering through the trees.

**A real friend is one
who walks in when
the rest of the world
walks out.**

Walter Winchell

A photograph of two small, fluffy yellow-green birds perched on a thin brown branch. The bird on the left is facing left with its head tilted up, showing a bright orange beak. The bird on the right is facing right, also with its head tilted up, showing a similar orange beak. Both birds have soft, downy feathers. A small green sprout with two leaves is visible behind the bird on the right. The background is a blurred, neutral-toned wall.

**Friends are the siblings God
never gave us.**

Mencius

**It is one of
the blessings
of old friends
that you can
afford to be
stupid with
them.**

Ralph Waldo Emerson
