"Health is above wealth"

1. Agree or disagree:

Adverts often make you buy one thing instead of another.

They show life unrealistically.

I don't think they help to improve your taste.

People seem to be happy consumers.

Most ads convince people to buy things they don't need.

Adverts are annoying and silly.

A bad point of advertising is that it is misleading.

It puts pressure on people.

Commercials teach you how to get the best value for your money.

Commercials are impossible to check.

Translate into English:

Я часто жалуюсь на рекламу.

Реклама еды оказывает нежелательное давление на меня.

Перерывы на рекламу раздражают.

Я спешу на кухню приготовить закуску, когда идет реклама.

Я не хочу, чтобы спонсоры рассчитывали на меня как (as) покупателя.

Реклама даёт необходимую информацию о товаре.

Некоторые передачи невозможно смотреть из-за большого количества рекламы.

К сожалению, многие рекламные ролики не дают правдивую информацию о продуктах.

Share your opinion on advertising (7-10 sentences)

Vocabulary

start counting calories.

eat less of everything

exercise more

to be slim

eat at night

sleep too much

get enough vitamins

uses high-fat food

influence one`s appearance

constant snacks
