Big Ben

London Eye

London

National Gallery

Houses of Parliament

A low-angle photograph of the Natural History Museum in London, showing its two prominent towers and central gable. The building is made of light-colored stone with many arched windows. A tall flagpole stands in the center. In the foreground, there is a decorative black metal fence. The sky is blue with some white clouds. The image is framed with rounded corners and has a dark blue border on the left and right sides.

Natural History Museum

Royal Albert Hall

London Underground

Westminster Abbey

A night-time photograph of the Tower Bridge in London, illuminated with warm yellow lights. In the foreground, the Angel of the Millennium sculpture is lit with blue and purple lights, showing a figure holding a large, winged object. The scene is set against a dark blue twilight sky. A blue rounded rectangle with white text is overlaid in the bottom left corner.
