★ **Product** Test

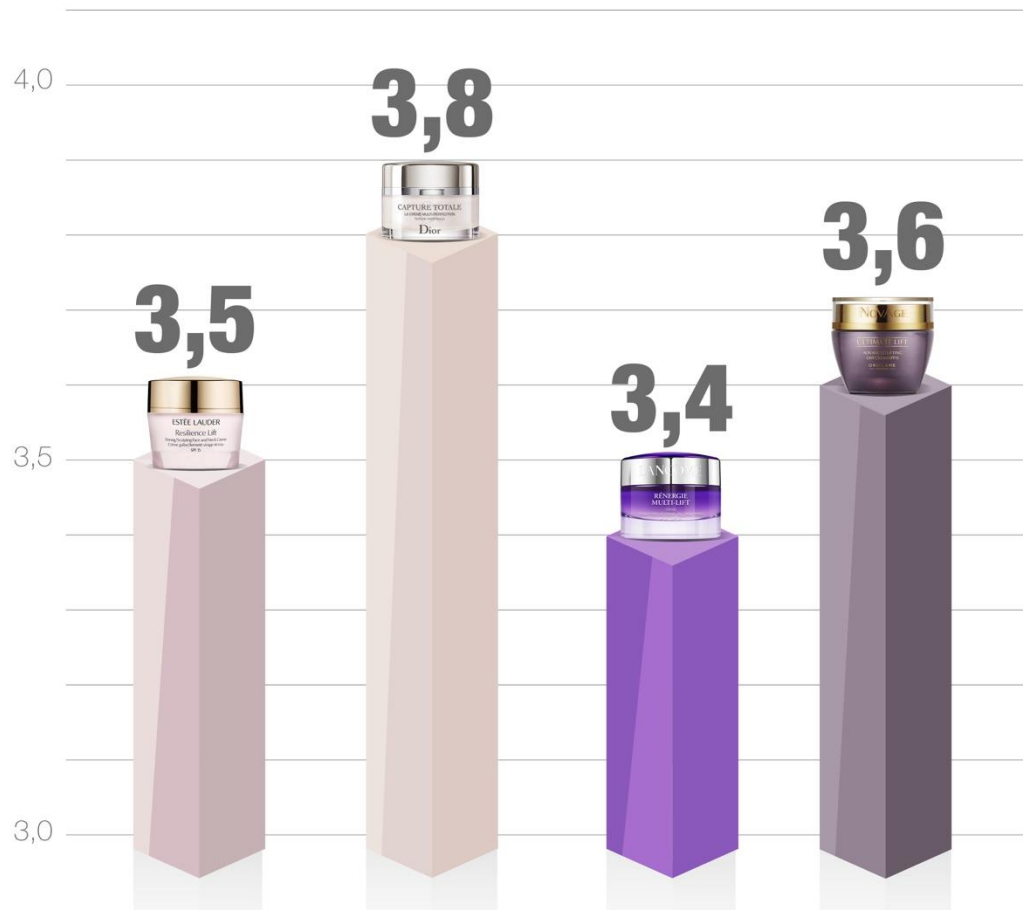

A dynamic splash of white liquid, possibly milk or cream, is captured in mid-air against a white background. The splash is wide and horizontal, with a thick, flowing center and many smaller droplets trailing off to the sides. A solid purple horizontal band is positioned behind the main body of the splash. Overlaid on this purple band is the text 'АНТИВОЗРАСТНОЙ ЭФФЕКТ' in a bold, dark grey, sans-serif font. The text is centered horizontally and spans across the width of the splash.
